

Summarization of the July 17, 2007
Board Committee on Academic and Student Services Committee
Meeting Minutes

The Board Committee on Academic and Student Services met on Tuesday July 17, 2007 to hear staff reports.

Staff Reports:

WYCC-TV Update

WYCC reported on hosting a Diversity Training Seminar for the Illinois Film Office in June and will also host the state's senior radio and television public broadcasting managers at the Illinois Public Broadcasting Cooperative's annual conference in August.

WYCC also reported on FY07 membership revenue, with a 46% gain in membership dollars and a 30% increase in total members. A detailed written summary, with year to year trends, was submitted.

Office of Development Update

Michael Mutz, Vice Chancellor of Development presented an update on CCC's 2007 Marketing Campaign.

Other Business:

Associate Vice Chancellor of Health Programs, Angela Starks provided an update on the Districts' Nursing Program. During the last fiscal year we focused on improving quality and expanding enrollment levels to meet the local and national demands. Improvements have occurred in the areas of curriculum, state board licensure rates, capacity building, accreditation preparation and the development of external partnerships.
