	Harvey	Repair	Replacement of	lot catch basin	(Report
	College		existing parking lot	and new	Only)
	OH1439		catch basin	surrounding	
				pavement	

TERM:

The term of the JOC agreement with the contractors is for the period from September 1, 2013 through August 31, 2015 with two additional 24 month term options.

BENEFIT TO CITY COLLEGES OF CHICAGO:

The Office of Administrative and Procurement Services has reviewed this request for services and has determined that it would be in the best interest of the District to use JOC as the delivery method for completing the above listed projects to ensure that the projects are performed in a timely manner to either minimize scheduling disruptions for the colleges involved, meet a grant deadline, address a health or safety issue, or because the repair or replacement of the building system involved falls within one of the categories of JOC work as defined by the Office of Administrative Services.

VENDOR SELECTION CRITERIA:

A public bid was prepared and ten vendors were awarded contracts in Board Report #31968 adopted on August 1, 2013. The JOC program is based on percentages of profit and fees added to the most recent version of the Gordian Company Construction Pricing Index of Fixed Costs. All JOC Execution Procedures which were developed with the Gordian Group were followed including reviewing each contractor's competitive pricing, capacity, experience, quality of work, and bid position. The process identified for selecting the contractor for each project was consistent for each of the projects described above and was prioritized from a more comprehensive District wide list.

MBE/WBE COMPLIANCE:

The Office of M/WBE Contract Compliance has periodically reviewed past performance of the Vendors for compliance with the District goals that each Vendor committed to as part of its contract with CCC and has found that they are in compliance or will be in the aggregate. Specifically, the Vendors have reported their intention to use the following firms for the above projects:

Vendor/Project	M/WBE Vendor	Percentage	Trade
UJAMMA	UJAMMA	MBE -40.40 %	Construction
Daley College			Management &
Cafeteria Kitchen Rehab.			Carpentry
