

Sole Source/Bid Waiver Justification

Below are the following Sole Source /Bid Waiver Criteria. If your purchase does meet any of the following criteria, please complete the form and submit to Procurement Services at procurementservices@ccc.edu

What is a Sole Source Procurement?

A “sole source” procurement can be defined as any contract entered into without a competitive process, based on a justification that only one known source exists or that only one single supplier can fulfill the requirement. Although states generally do not permit non-competitive procurements by statute, exceptions are allowed where competition is not feasible.

Examples of acceptable exceptions from the competitive procurement process may include:

- Only one known source exists for supplies of services or products as determined by documented research.
- No other reasonable alternative source exists that meets the CCC requirements.
- Only one source meets the business needs of the CCC (e.g., compatibility, unique feature to meet CCC’s business need, etc.)
- Procurement of public utility services.

What’s not a Sole Source Procurement?

- A CCC requirement for a particular proprietary product or service does not automatically justify a sole source procurement if there is more than one potential bidder or offeror for that item.
- A CCC preference for a brand name product does not justify a sole source procurement.
- A good’s or service’s “uniqueness” alone may not qualify the producer or supplier of the good or service as a sole provider of a good or service.

What are acceptable considerations for sole source procurements?

CCC reasons for sole sources vary greatly but should fall within the following:

- Only one known source that can provide the commodity or service.
- Unique source (commodity/service is unique/special in nature)
- Compatibility (e.g., a public safety CCC requiring a specific piece of equipment to be compatible with an existing equipment system)
- Limited or proprietary systems (i.e. additional licenses, updates, specialized replacement parts, etc.)
- A professional expert is requested.
- Sales territories or product availability within limited geographic boundaries.
