

Announcement of a Sole Source Purchase

First published Thursday, January 26, 2023

City Colleges of Chicago intends to award a contract to Fooda to provide a full-service meal program to our child development lab schools.

City Colleges has determined that this purchase is only economically available from Fooda because due to previous relationships with the vendor they hold licenses to operate in our kitchen spaces and seeking new licenses from other vendors would delay our food services putting CCC at risk for losing their child care services.
