Announcement of a Sole Source Purchase

First published Friday, May 19, 2023

City Colleges of Chicago intends to award a contract to Bibliotheca LLC to provide and maintain library security systems across college campuses. They will also provide purchasable accessories such as detection tape and stations to keep the library's assets safe and secure.

City Colleges has determined that this purchase is only economically available from Bibliotheca because they hold patents to essential parts and accessories geared toward library security that are exclusively held by the company.
