MBE Participation goal: **25%**

WBE Participation goal: **7%**

4.2 Bidder/Proposer's Commitment and Responsibility

Each Bidder's commitment to the utilization of certified MBE and WBE firms shall be considered as further evidence of the responsibility of the Bidder/Proposer. Further, the Contractor agrees to use its best efforts to include certified MBE and WBE firms in any Contract modifications, amendments and renewals.

SECTION 5: PROCEDURE TO DETERMINE BID & PROPOSAL COMPLIANCE

5.1 The following documents constitute the Bidder/Proposer's MBE/WBE Compliance Plan and must be submitted with the bid or proposal:

A. Schedule A: Affidavit of MBE/WBE Goal Implementation Plan

Bidders/Proposers must submit, together with the bid/proposal, a completed Schedule A committing them to the utilization of each certified MBE/WBE firm listed.

Except in cases where the bidder/proposer has submitted a complete request for a waiver or variance of the MBE or WBE goals in accordance with Section 8 (below), the bidder/proposer must commit to the expenditure of an estimated percentage of their proposed contract value. Specific dollar amounts of participation by each certified MBE/WBE firm should also be included on the Schedule A as practicable.

Additionally, the total dollar commitments proposed for certified MBE firm(s) must at least equal the MBE goal, and the total dollar commitment to propose certified WBEs must at least equal the WBE goal.

All commitments made on the bidder/proposer's Schedule A must correspond with those presented on the Schedule C documents that are described below.

Additionally, a fully completed and executed Schedule A must be submitted with the bid/proposal when due. Failure to submit the completed Schedule A or a waiver request in accordance with this section will be cause for finding bid/proposal non-responsive and may result in rejection of bid/proposal.

B. Schedule C: Letter of Intent

A Schedule C [Schedule C-1 (MBE/WBE Bidder/Proposer or Schedule C-2 (Joint Venture Partner) as described herein] must be completed in its entirety and executed by each certified MBE and WBE firm listed on the Schedule A and submitted with the bid/proposal.

The Schedule C must accurately detail the work to be performed by the certified MBE or WBE firm at the agreed rates and prices to be paid. Additionally, the certified MBE and WBE firm's scope of work, as detailed on their Schedule C must conform to their area of specialty included in the certification letter as described below.

Additionally, all fully completed and executed Schedule Cs must be submitted with the bid/proposal when due. Failure to submit the completed Schedule C(s) in accordance with this section will be cause for finding bid/proposal non-responsive and may result in rejection of bid/proposal.

C. Letters of Certification & Certification Determination

A copy of each proposed MBE and WBE firm's current letter of certification must be submitted with the bid/proposal as a complement to the Schedule A and C. All letters of certification must include a statement of the certified MBE/WBE firm's area of specialty.

In order to be designated as a certified Minority Business Enterprise (MBE) or as a Women Business Enterprise (WBE) in City Colleges of Chicago contracting activity a firm must be verified as such by agencies known and accepted by CCC.

Specifically, the following agencies confer the designation and are accepted by the Office of Contract Compliance:

- 1) The City of Chicago
- 2) Cook County
- 3) The State of IL— CIE (Formerly CMS)
- 4) National Minority Supplier Development Council and its regional affiliates including the Chicago Minority Supplier Development Council
- 5) Women Business Enterprise National Council and its regional partner organizations including the Women's Business Development Center in Chicago

Certifications will also be considered from conferring government agencies in other states and major metropolitan cities on a case by case basis.

D. Schedule C-2 & Joint Venture Agreements

If the bidder/proposer's MBE/WBE proposal includes the participation of certified MBE or WBE firms as a joint venture on any tier (either as the bidder/proposer or as a subcontractor), the bidder/proposer must provide a copy of the joint venture agreement, as a part of Schedule A submission.

In order to demonstrate the certified MBE or WBE partner's share in the ownership, control, management responsibilities, risks and profits of the joint venture, the MBE or WBE firm that is a party to the Joint Venture must complete the Schedule C-2.

Additionally, the joint venture agreement must complement the Schedule C-2 and include specific details related to: (1) contributions of capital and equipment (2) work responsibilities or other performance to be undertaken by the certified MBE/WBE firm; (3) the commitment of management, supervisory and operative personnel employed by the certified MBE/WBE to be dedicated to the performance of the contract. The joint venture agreement must also clearly define each partner's authority to contractually obligate the joint venture and each partner's authority to expend joint venture funds (e.g. check signing authority).

5.2 Correct Completion of Schedules

The MBE/WBE Compliance Plan must have all blank spaces on both of the Schedules applicable to the Contract correctly filled in.

Agreements between a Bidder/Proposer and a certified MBE and certified WBE in which the certified MBE/WBE promises not to provide subcontracting quotations to other Bidders/Proposers are prohibited.

5.3 Deficient Compliance Plans

Upon receipt of the Compliance Plan submitted with the bid/proposal, the Office of MBE/WBE Compliance will determine if the bid/proposal is responsive. A bid/proposal may be treated as non-responsive by reason of the determination that the Bidder/Proposer's response did not contain a sufficient level of certified MBE or WBE participation or an approved waiver request.

During the period between bid opening/proposal due date and contract award the MBE/WBE Plan will be evaluated by the Office of M/WBE Contract Compliance for the following:

- 1) MBE and WBE Performance of a commercially useful function
- 2) Analysis of industry standard for sub-contracting (if applicable)
- 3) Scope of services versus certification letter specialty area
- 4) Accurate levels of compliance
- 5) Due diligence efforts to support waiver request (if applicable)
- 6) Certification renewal status
- 7) MBE/WBE execution of Schedule C
- 8) Compliance history on previous contracts with CCC and its sister agencies

The Bidder/Proposer agrees to provide, upon request, earnest and prompt cooperation to the Office of M/WBE Contract Compliance in submitting to interviews that may be necessary, in allowing entry to places of business, in providing further documentation, or in soliciting the cooperation of a proposed certified MBE or WBE firm in providing such assistance.

Additionally, a bid/proposal may be treated as non-responsive by reason of the determination that the Bidder/Proposer was unresponsive or uncooperative when asked for further information relative to the bid/proposal, or that false statements were made in the Schedules.

SECTION 6: COUNTING MBE/WBE PARTICIPATION TOWARD CONTRACT GOALS

6.1 Only certified MBE and WBE participation shall be counted toward the MBE and WBE goals set in this Contract and applied as follows:

A. Direct Participation

An MBE or WBE firm should be used directly in the performance of the scope of services that the Bidder/Proposer is providing for the District. The MBE or WBE's total contract value can be credited towards the participation goals for direct participation.

B. Indirect Participation

In the event the Bidder/Proposer's specific scope of services does not provide an opportunity for direct subcontracting, the Bidder/Proposer must consider other ways to engage MBEs and WBEs to meet the contract participation goals.

The expenditures with MBE and WBE vendors that are being used in the Bidder/Proposer's overall business operations for goods or services that are ancillary to the CCC contract such as transportation, advertising, accounting, landscaping, office supply can be credited at 100%.

C. Commercially Useful Function (CUF)

A Bidder/Proposer may count toward its MBE and WBE goal only expenditures to certified firms that will perform a commercially useful function in the work of a contract. A firm is considered to perform a commercially useful function when it is responsible for a distinct element of work of a contract and carries out the responsibilities by actually performing, managing, and supervising the work involved using its own resources.

The Office of M/WBE Contract Compliance will use a variety of methods to determine whether or not an MBE or WBE is performing a CUF at any time (pre-award, during contract execution and/or during the contract close-out phase) including but not limited to:

- 1) Project site visits
- 2) Documentation requests
- 3) Interviews with MBE or WBE owners or employees

D. MBE/WBE Subletting

Consistent with normal industry practices, a certified MBE or WBE subcontractor may enter into further subcontracts. If a certified MBE/WBE contractor subcontracts a significantly greater portion of the work of the contract than would be expected on the basis of normal industry practices, the certified MBE or WBE shall be presumed not to be performing a commercially useful function.

Evidence may be presented, in writing, to the Office of M/WBE Contract Compliance by the contractors involved to rebut this presumption.

E. Counting MBE/WBE Manufacturers

A Contractor may count toward its goals expenditures to certified MBE or WBE manufacturers (i.e., suppliers that produce goods from raw materials or substantially alters them before resale) at 100%.

F. Counting MBE/WBE Suppliers

A Contractor may count 100% of its expenditures with certified MBE or WBE suppliers toward its compliance goals provided that the supplier performs a commercially useful function in the supply chain process and is a regular dealer.

G. Counting Total Dollar Value Awarded To Certified MBEs/WBEs

The total dollar value of contract awarded to a certified MBE or WBE firm shall only be credited to one of the respective certification statuses. The Contractor employing the certified firm may choose the goal to which the contract value is applied—either MBE or WBE; not both.

Work done by one and the same subcontractor shall be considered, for the purpose of this principle, as work effectively under one subcontract only, in which the subcontractor may be counted toward only one of the goals, but not toward both.

H. MBE/WBE Controlled Firms

If the Bidder or Proposer is a certified MBE most of the total contract value can be counted toward the fulfillment of the MBE goal and similarly, if a WBE is the Bidder or Proposer, most of the total contract value can be counted toward the fulfillment of the WBE goal. However, MBE Bidders/Proposers must obtain a certified WBE subcontractor and a WBE Bidder/Proposer must obtain a certified MBE subcontractor to meet the respective goals.

Additionally, if a firm is certified as both an MBE and WBE, they can only use one of the certification statuses to fulfill one of the goals; not both.

MBE and WBE Bidder/Proposers must submit a Schedule C-1 which outlines their intent to subcontract any portion of their work they do not plan to self-perform.

Moreover, an MBE or WBE Bidder/Proposer must submit a Schedule A, Schedule C(s) for MBE or WBE subcontractors, and certification letters for themselves and any other MBE or WBE they may be utilizing on the contract.

I. **Counting Total Dollar Value of Eligible Joint Ventures**

A Contractor may count toward its MBE or WBE goal the portion of the total dollar value of a contract with an eligible joint venture equal to the percentage of the ownership and control of the MBE or WBE partner in the joint venture. A joint venture seeking to be credited for MBE participation may be formed among certified MBE and WBE firms, or between certified MBE and WBE firms and a non- MBE/WBE firm. A joint venture satisfies the eligibility standards of this Plan if the certified MBE or WBE participant of the joint venture:

1. Shares in the ownership, control, management responsibilities, risks and profits of the joint venture; and
2. Is responsible for a clearly defined portion of work to be performed in proportion to the certified MBE or WBE ownership percentage.

A Schedule C-2 and Joint Venture agreement must be submitted to support utilizing an MBE or WBE as a Joint-Venture participant.

6.2 A Contractor may count toward its MBE/WBE goal the following expenditures to certified firms that are not manufacturers or regular dealers:

A. **Fees or Commissions For Providing Services**

The fees or commissions charged for providing a bona fide service, such as professional, technical, consultant or managerial services and assistance in the procurement of essential personnel, facilities, equipment, materials or supplies required for performance of the contract, provided that the fee or commission is determined by the Office of M/WBE Contract Compliance to be reasonable and not excessive as compared with fees customarily allowed for similar services.

B. **Fees For Delivering Materials and Supplies**

The fees charged for delivery of materials and supplies required on a job site (but not the cost of the materials and supplies themselves) when the hauler, trucker, or delivery service is not also the manufacturer of or a regular dealer in the materials and supplies, provided that the fee is determined by the Office of M/WBE Contract Compliance to be reasonable and not excessive as compared with fees customarily allowed for similar services.

C. **Fees or Commissions For Bonds or Insurance**

The fees or commissions charged for providing any bonds or insurance specifically required for the performance of the contract, provided that the fee or commission is determined by the Office of M/WBE Contract Compliance to be reasonable and not excessive as compared with fees customarily allowed for similar services.

SECTION 7: CHANGES TO MBE/WBE PARTICIPATION PLAN

7.1 **Termination of Scope of Work Not Permitted**

After submitting executed MBE and/or WBE sub-agreements to the Office of M/WBE Contract Compliance, the Contractor shall thereafter neither terminate the sub-agreement, nor reduce the scope of the work to be performed by the certified MBE or WBE firm, nor decrease the price to the MBE or WBE firm, without in each instance receiving the prior written approval of the Office of M/WBE Contract Compliance.

7.2 Substitutions

If it becomes necessary to substitute an MBE and/or WBE to fulfill the Contractor's MBE and/or WBE commitments, the Office of M/WBE Contract Compliance must be given reasons justifying the release of prior specific MBE and/or WBE commitments established in the Contractor's bid/proposal in order to review the propriety of the proposed substitution.

A substitution of MBE or WBE firms cannot be made without prior approval from the Office of MBE/WBE Compliance. In addition to the explanation provide above, the approval process must include a revised Schedule A, a Schedule C for the replacement firm(s) and current certification letter(s).

The approval process should also include concurrence from the affected MBE or WBE received either proactively from the Prime Vendor or by the Office of MBE/WBE Compliance.

SECTION 8: WAIVERS of MBE and WBE GOALS

8.1 Inability to Meet Participation Goals

If a Bidder/Proposer is unable to identify certified MBE and WBE firms to perform sufficient work to fulfill the MBE or WBE percentage goals for a contract, the bid/proposal must include a Schedule D (written request for waiver).

Submission of the Schedule D is not an automatic approval of the requested waiver. The approval of the requested waiver will be based, in part by the supporting documentation demonstrating the Bidder/Proposer's inability to obtain sufficient certified MBE and WBE firms, notwithstanding good faith attempts to achieve such participation.

Examples of such good faith efforts may include, but are not limited to, the following:

- a) Attendance at the Pre-bid/proposal conference.
- b) The Bidder/Proposer's general affirmative action policies regarding the utilization of MBE and WBE firms, plus a description of the methods used to carry out those policies.
- c) Advertisement in trade association newsletters and minority-oriented and general circulation media for specific sub-bids/proposals.
- d) Timely notification of specific sub-bids/proposals to minority and women assistance agencies and associations.
- e) Description of direct negotiations with certified MBE and WBE firms for specific sub-bids/proposals, including:
- f) the name, address and telephone number of the certified MBE and WBE firms contacted;
- g) a description of the information provided to certified MBE and WBE firms regarding the portions of the work to be performed; and
- h) the reasons why additional certified MBE and WBE firms were not obtained in spite of negotiations.
- i) A statement of the efforts made to select portions of the work proposed to be performed by certified MBE and WBE firms (such as sub-supplier, transport, engineering, distribution, or any other roles contributing to production and delivery as specified in the Contract) in order to increase the likelihood of achieving such participation.

- j) A detailed statement of the reasons for the Bidder/Proposer's conclusion that each certified MBE and WBE contacted, were not qualified.
- k) Efforts made by the Bidder/Proposer to expand its search for certified MBE and/or WBE firms beyond usual geographic boundaries.
- l) General efforts made to assist MBE and WBE firms to overcome participation barriers.

8.2 Unacceptable Basis for Waiver Request

If the bidder/proposer does not meet the MBE/WBE goal, price alone shall not be an acceptable basis for which the bidder may reject a certified MBE/WBE sub-bid/proposal

unless the bidder can show to the satisfaction of the Office of M/WBE Contract Compliance that no reasonable price can be obtained from a certified MBE/WBE.

A determination of reasonable price is based on such factors as the estimate for the work under a specific subcontract, the bidder's own estimate for the specific subcontract, and the average of the bona fide prices quoted for the specific subcontract. A bid from a certified MBE/WBE for a subcontract will be presumed to be unreasonable if the MBE/WBE price exceeds the average price quoted by more than 15 percent.

8.3 Subsequent Waiver by Request of Contractor

During the performance of a contract, a contractor may request a partial waiver from compliance with its original MBE or WBE proposal for the following reasons:

- a) Due to substantially changed circumstances the contractor is unable to meet the previously stated MBE or WBE goal(s);
- b) Despite every good faith effort on the part of the contractor, it is unable to meet the previously stated MBE or WBE goal(s)

8.4 Waiver Initiated by City Colleges of Chicago

The Chancellor or their designee may grant a waiver from MBE or WBE requirements for an individual contract upon a determination that there are insufficient certified MBEs or WBEs available to fulfill such requirements for that particular contract.

A determination by the Chancellor to waive MBE or WBE requirements for an individual contract must be stated in writing and placed in the appropriate project file.

SECTION 9: REPORTING AND RECORD-KEEPING REQUIREMENTS

9.1 Execution of Subcontract By Contractor

The Contractor, within five (5) working days after Contract award, shall execute a formal subcontract or purchase order in compliance with the terms of the Contractor's bid/proposal and MBE and WBE assurances and should be submitted to the Office of MBE/WBE Compliance within three (3) business days if requested by the Office of MBE/WBE Compliance.

In addition, each subcontract between the Bidder/Proposers and any certified MBE or WBE firm performing work on the Contract shall include remedies for non-compliance with the commitment to MBE and WBE participation, including an agreement to pay damages to the certified MBE and WBE firms which were underutilized.

9.2 **Payments to MBE and WBES**

During the performance of the Contract, the Contractor shall file regular MBE and WBE payment reports, on the form entitled "Monthly and Quarterly Report of Payments to MBE and WBE Subcontractors."

Additionally, invoices and/or other documentation must be submitted to the Office of MBE/WBE Compliance within five (5) days upon request to support the utilization of MBEs and WBEs.

9.3 **Maintenance of Relevant Records**

The Contractor shall maintain records of all relevant data with respect to the utilization of certified MBE and WBE firms, including without limitation payroll records, tax returns and records, and book of accounts, and retain such records for a period of at least three (3) years after final acceptance of the work. Full access to such records shall be granted to the Office of M/WBE Contract Compliance or its designee, on five (5) business days' notice in order to determine the Contractor's compliance with its MBE and WBE commitments and the status of any certified MBE or WBE firm performing any portion of the Contract.

SECTION 10: NON-COMPLIANCE WITH MBE and WBE PARTICIPATION GOALS

10.1 **Compliance Audits**

Whenever the Office of M/WBE Contract Compliance believes that the contractor or any of its subcontractors may not be operating in compliance with this Plan, it shall conduct an appropriate investigation.

10.2 **Notification regarding Non-compliance**

Upon indications of inadequate compliance or non-compliance, the Office of M/WBE Contract Compliance will notify the contractor and the subcontractor, in writing.

The Office of M/WBE Contract Compliance, the contractor or subcontractor may request an opportunity to meet to discuss MBE/WBE contract compliance. The contractor or subcontractor shall make such request to the Office of M/WBE Contract Compliance in writing within five (5) working days of receiving notice. The meeting shall be scheduled by the Office of M/WBE Contract Compliance at a reasonable date, time and place, with notice to contractor and subcontractor.

10.3 **Determination of non-compliance**

If after notification and subsequent discussions, the Office of M/WBE Contract Compliance determines that a contractor is not meeting or has not met applicable MBE or WBE goals and is not demonstrating or has not demonstrated every good faith to meet the goals, the contractor shall be subject to suitable sanctions as set forth in paragraph 10.3 A (Sanctions) below.

10.4 **MBE and WBE Remedies For Prime Vendor Non-Compliance**

The unexcused reduction of certified MBE or WBE participation in connection with the Contract including any modification thereof, shall entitle the affected certified MBE and WBE firms to payments pursuant to such agreement. Such provisions shall include an undertaking by the Contractor to submit any dispute concerning such damages to binding arbitration by an independent arbitrator, other than the City Colleges of Chicago, with reasonable expenses, including attorneys' fees, being recoverable by a prevailing certified MBE or WBE. Nothing herein shall be construed to limit the rights of and remedies available to the City Colleges of Chicago.

10.5 **Sanctions for Non-compliance**

A. **Terms and Conditions of Plan Applying To All Contracts**

The MBE/WBE requirements of these Terms and Conditions shall be incorporated into all of the contracts between City Colleges and its vendors. In addition to any other remedies City Colleges may have, the following apply:

Where the Office of M/WBE Contract Compliance determines the conditions set forth in Section 10.3 above to exist during the term of the contract, the Office of M/WBE Contract Compliance may recommend that the Board suspend or terminate the contract, in whole or in part, and may also declare the contractor ineligible for future contracts for a period of two (2) years.

The Contractor shall be liable to the City Colleges for any consequential damages incurred as a result of suspension or termination of the contract including damages arising either from delay or increased price in securing performance of the work by other contractors, attorney's fees and court cost.

Where the Office of M/WBE Contract Compliance determines the conditions set forth in paragraph 10.3 above to exist at the conclusion of a contract, the Office of M/WBE Contract Compliance may declare the contractor ineligible for future contracts for a period of two (2) years.

If a Contractor has provided false or misleading information in connection with certification, bid or proposal documents, compliance progress reports, or any other aspect of this Plan, the Office of M/WBE Contract Compliance may impose any of the sanction described in paragraph 10.5 (Sanctions) and all its subsections.

If there is a bona fide payment dispute between a Contractor and its certified M/WBE subcontractor for work performed under the Plan, the City Colleges may withhold payment of the disputed amount from the Contractor and place such funds in an interest-bearing account pending resolution of the dispute, by judicial or other means.

B. **Contractor's Right To Appeal Decision**

A contractor shall have the right to appeal a decision from the Office of M/WBE Contract Compliance declaring it ineligible for future City College contracts. Such appeal shall be made to the Chancellor or his/her designee.

C. **Sanctions Available To The City Colleges of Chicago**

The failure of City Colleges to impose any sanction it may have under this Section shall not be deemed a waiver of its right to impose such a sanction for subsequent violations. The listing of sanctions available to City Colleges in paragraph 10.5 A shall not be deemed to exclude any other sanctions or remedies available at law or in equity.

NOTE: The bidder/proposer shall, in determining the manner of MBE/WBE participation, must first consider involvement with MBE/WBE firms as joint venture partners, direct subcontractors, and suppliers of goods and services directly related to the performance of this contract. A service not directly related to the scope of services but utilized during the bidder/proposer's normal course of business is considered indirect.

Additionally, all MBE/WBE firms included in this plan must be currently certified as such by at least one of the following agencies acknowledged by the City Colleges of Chicago (City of Chicago, Cook County, State of IL, Chicago Minority Supplier Development Council and regional affiliates and/or the Women's Business Development Center and its regional affiliates).

the legal, valid and binding agreement of the Institution, enforceable against the Institution in accordance with its terms (except insofar as such enforceability may be limited by applicable bankruptcy, insolvency, reorganization, moratorium or similar laws affecting creditors' rights generally, or by principles governing the availability of equitable remedies; and

- iii. The execution and delivery of this Agreement and the consummation of the transactions contemplated hereby will not: (i) conflict with or result in any violation of any provision of the charter or bylaws of the Institution, each as amended to date; or (ii) conflict with, result in any violation or breach of, constitute a default under, give rise to any right of termination or acceleration (with or without notice or the lapse of time or both) pursuant to, or result in being declared void or voidable, any term or provision of any note, bond, mortgage, indenture, lease, license, contract or other instrument to which the Institution is a party or by which any of its properties or assets are or may be bound; or (iii) violate any order, writ, injunction, decree, statute, rule or regulation applicable to the Institution.

9. **Indemnity.** Notwithstanding any other terms and conditions in this Agreement, including any obligations regarding insurance coverage, Company agrees to defend, indemnify, save and hold harmless fully the Institution, its Board of Trustees, agents, officers, students, volunteers, contractors and employees against any and all claims, suits or judgments, costs or expenses, including attorney's reasonable fees, (collectively "Loss") in connection with this Agreement. This indemnification obligation does not extend to that portion of a Loss caused by Institution's negligence, as determined by a court of competent jurisdiction in a final, non-appealable judicial order.

10. **Insurance.** Throughout the Term, Company, at its own expense, shall provide and maintain the following insurance coverage:

- a. **Workers Compensation and Employers Liability.** Workers Compensation as prescribed by applicable law, covering all employees who are providing the Services and Employer's Liability coverage with limits of not less than \$1,000,000.00 each accident or illness; and
- b. **Commercial General Liability.** Commercial General Liability Insurance or equivalent with limits of not less than \$5,000,000.00 per occurrence, for bodily injury, personal injury, and property damage liability. Coverage shall include the following: All premises and operations, products/completed operations, separation of insured, defense, and contractual liability (with no limitation endorsement); and
- c. **Automobile Liability.** When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, the Company shall provide Comprehensive Automobile Liability Insurance with limits of not less than \$1,000,000.00 per occurrence, for bodily injury and property damage; and

- d. **Fidelity, EPLI and Professional Liability (E&O).** Professional liability insurance covering errors, omissions or negligent acts must be maintained with limits of not less than \$1,000,000.00. Coverage must include contractual liability. When policies are renewed or replaced, the policy retroactive date must coincide with, or precede, start of work on this Agreement. A claims-made policy, which is not renewed or replaced, must have an extended reporting period of two (2) years.

Prior to the execution of this Agreement, Company shall furnish the Institution with original insurance certificates evidencing the required coverage. Except with respect to Worker's Compensation and Employers Liability, all insurance certificates shall name the Board of Trustees of Community College District No. 508, County of Cook and State of Illinois, and its officers, directors, agents, students, employees, contractors and volunteers as additional insured on a primary, non-contributory basis. Institution's failure to obtain certificates or other insurance evidence from Company shall not be deemed a waiver of this provision by the Institution. This Agreement, at Institution's sole discretion, may be terminated if Company fails to comply with this provision. All insurance policies required hereunder shall include a provision which requires the Institution to receive thirty (30) days prior written notice before coverage is substantially changed, cancelled or non-renewed. Any insurance or self-insurance programs maintained by Institution shall apply in excess of and not contribute with insurance provided by Company.

11. **Termination/Remedies.**

- a. **Termination for Convenience.** Notwithstanding Section 11(b) below, the Institution may terminate this Agreement, or any portion of the Services, at any time, upon thirty (30) days prior written notice to Company. If this Agreement is terminated by the Institution under this Section 11, Company shall immediately deliver to the Institution all finished or unfinished materials, documents, data, studies and reports prepared by it or under its direction in connection with the Services. The Institution will pay Company for the portion of the Services satisfactorily performed by Company in those amounts accrued but not yet paid prior to the effective date of termination. Such payment to the Company shall be in full settlement for all Services.
- b. **Termination for Default.** Subject to Section 11(a) herein, this Agreement may also be terminated for default. Each of the following shall constitute an event of default by Company ("Default").
- i. Any material misrepresentation, whether in the inducement or in the performance, made by the Company to the Institution; and
 - ii. A breach of a representation or warranty contained in this Agreement; and
 - iii. The insolvency, bankruptcy or committing of any act of bankruptcy or insolvency, or making an assignment for the benefit of creditors; and
 - iv. Failure to comply with or perform any material provision of this Agreement; and

- v. Failure or refusal to provide enough properly skilled personnel, adequate supervision, or adequate materials and equipment of the proper quality to perform the Services; and
- vi. Causing, by any action or omission, the stoppage, delay of, or interference with, the work of any other Company or sub-consultant.

If a court of competent jurisdiction rules that termination of this Agreement by the Institution for default of Company was wrongful, then the termination shall be deemed to have been a termination for convenience.

- c. **Curable and Incurable Defaults.** Time-sensitive defaults (e.g., failure to meet deadlines) are not curable unless the Institution, in its sole and absolute discretion, extends the deadline. Such extension, however, does not relieve Company of liability for any damages the Institution may suffer. Company shall cure any default that is not time-sensitive with ten (10) calendar days after Company is given notice of the default.
- d. **Remedies.** In addition to any other remedies contained herein, the Institution may invoke any or all of the following remedies for a Default:
 - i. Complete the Services at Company's expense, either directly or through the use of contractors and subcontractors; or
 - ii. Receive a refund or withhold all or any portion of the Fee; or
 - iii. Demand specific performance, an injunction or any other appropriate equitable remedy; or
 - iv. Terminate this Agreement.
- e. **Right to Offset.** All costs incurred by the Institution due to: (i) termination of this Agreement for default; or (ii) Company's performance of the Services; or (iii) Institution's exercise of any of the remedies available herein, may be offset by: (i) any credits due to or overpayments made by the Institution; or (ii) any payments due to Company for Services completed. If such amount offset is insufficient to cover those excess costs, Company shall be liable for and promptly remit to the Institution the balance upon written demand. This right to offset is in addition to and not a limitation on any other remedies available to the Institution.

No remedy hereunder is exclusive of any other remedy, but each remedy shall be cumulative and in addition to any other remedies at law, in equity or by statute existing now or hereafter. No delay or omission to exercise any right or power accruing upon any Default shall impair any such right or power nor shall it be construed to be a waiver of any Default or acquiescence therein, and every such right and power may be exercised periodically and as often as may be deemed expedient. If the Institution considers it to be in the Institution's best interest, it may choose not to declare a default or terminate the Agreement. The parties acknowledge that this provision is solely for the benefit of the

Institution and that if the Institution permits Company to continue providing Services despite one or more events of default, the Company is in no way relieved of any of its duties and obligations under the Agreement and the Institution does not waive or relinquish any of its rights.

12. Additional Provisions. The parties further agree to the following provisions:

- a. Cooperation with Successors.** If this Agreement expires or is terminated for any reason, Company shall use its best efforts to assure an orderly transition to Institution and to the successor consultant, if any. Company must make an orderly demobilization of its own operations, provide the Services uninterrupted until the effective day of such termination or expiration, and otherwise comply with the reasonable requests and requirements of the Institution in connection with the termination or expiration.

- c. Severability.** The terms of this Agreement are severable and if a court of competent jurisdiction herein declares any term or provision illegal, void or unenforceable, the remainder of the provisions hereunder shall remain valid and enforceable.
- d. No Damages for Delay.** During the Term, Company is not entitled to and must make no charges or claims for damages for any delays or hindrances from any cause in connection with the Services. If Company's performance of the Services is delayed by causes beyond Company's reasonable control, at the Institution's sole

option, the Institution may either terminate this Agreement or extend the time to complete the Services to reflect the extent of the delay (if extension is feasible given the project deadlines and the expectations of public performance), provided the Company has given the Institution written notice within ten days after delay begins. The notice by the Company must include a description of the reasons for the delay and the steps Company has taken or will take to mitigate the effects of the delay.

- e. **Names/Logos.** Institution owns all rights to the name City Colleges of Chicago and its individual colleges and to certain logos, servicemarks, trademarks and likenesses (“Marks”). Company must not use the Marks as part of Company’s business or trade name, and Company must not use the Marks or sell merchandise or services with the Marks without the Institution’s express written consent. Also, Company must not permit anyone else to do so.

Such action shall include, but not be limited to the following: employment, upgrading, demotion or transfer; recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training; including apprenticeship. Company agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this non-discrimination clause. Company further agrees that this clause will be incorporated in all contracts entered into with suppliers of materials or services, contractors, and subcontractors and all labor organizations, furnishing skilled, unskilled and craft union skill labor, or who may perform any labor or services in connection with this Agreement.
- h. **Compliance with Laws.** During the Term, Company, at its sole expense, shall observe and comply with all federal, state and local laws, rules, ordinances and regulations related to this Agreement, including, but not limited, to the Illinois Public Community College Act and the Rules for the Management & Government of the City Colleges of Chicago. Company shall also be responsible for compliance with the City Colleges of Chicago Debarment Policy. Company shall indemnify the Institution for all losses and expenses, including reasonable attorneys fees resulting from failure to comply with this provision, including, but not limited to, any fines, penalties, or corrective measures.
- i. **Amendments/Changes.** No modification or amendments to this Agreement shall be effective unless such amendment is in writing and signed by both parties hereto.

- j. **Ethics Policy.** Company agrees to comply with the Institution's Ethics Policy and with any amendments adopted thereafter. A copy of the Institution's Ethics Policy can be found at www.ccc.edu.
- k. **Inspector General.** It shall be the duty of each party to the agreement to cooperate with the Inspector General for City Colleges of Chicago in any investigation conducted pursuant to the Inspector General's authority under Article 2, Section 2.7.4(b) of the Board Bylaws.
- l. **Independent Contractor.** Company is an independent contractor and not the agent, partner or employee of the Institution. Company shall not have the authority to enter into any contract or agreement to bind Institution, and shall not represent to anyone that Company has such authority.
- m. **Assignment and Delegation.** Company shall not subcontract, assign, or otherwise transfer all or any portion of this Agreement, nor delegate its duties or obligations hereunder without the Institution's prior written consent.
- n. **Survival.** Upon the expiration or termination of this Agreement, those provisions that would by their nature survive this Agreement will so survive.
- o. **Third Party Beneficiaries.** Nothing contained in this Agreement is intended to confer upon any person (other than the parties hereto, the Institution Indemnified Parties and the Company Indemnified Parties) any rights, benefits or remedies of any kind or character whatsoever, and no person will be deemed a third-party beneficiary under or by reason of this Agreement.
- p. **Force Majeure.** Neither party will have any liability to the other for any failure or delay in performing any obligation under this Agreement due to acts of God or nature, fires, floods, strikes, civil disturbances, terrorism, or power, communications, satellite or network failures (individually and collectively "Force Majeure Event"). Either party upon prior written notice may terminate this Agreement if such Force Majeure Event continues for more than ten-(10) calendar days.
- q. **Severability.** The terms of this Agreement are severable and if a court of competent jurisdiction declares any term or provision illegal, void or unenforceable, the remainder of the provisions hereunder shall remain valid and enforceable to the maximum extent permissible.
- r. **Counterparts.** This Agreement may be executed in two (2) or more counterparts, each of which will be deemed to be an original, but all of which together will constitute one binding agreement.
