RE: ISACA Sole Source Letter

Dear Educational Administrator,

This letter is in reference to ISACA's academic and certification course programs. ISACA is the sole source and owner of the Information Technology Certified Associate (ITCA), Certified in Emerging Technologies (CET), CSX Cybersecurity Practitioner (CSX-P), Certified Data Privacy Solutions Engineer (CDPSE), Certified in the Governance of Enterprise IT (CGEIT), Certified Information Security Manager (CISM), Certified in Risk and Information Systems Control (CRISC), and Certified Information Systems Auditor (CISA), and the sole source for all related materials. These materials are protected by copyright and trademark and must be ordered directly from ISACA.

About Us:

For more than 50 years, ISACA® (www.isaca.org) has advanced the best talent, expertise, and learning in technology. ISACA equips individuals with knowledge, credentials, education, and community to progress their careers and transform their organizations and enables enterprises to train and build quality teams that effectively drive IT, IT audit, risk management, and security priorities forward. ISACA is a global professional association and learning organization that leverages the expertise of more than 150,000 members who work in information security, governance, assurance, risk and privacy to drive innovation through technology. It has a presence in 188 countries, including more than 220 chapters worldwide. In 2020, ISACA launched One In Tech, a philanthropic foundation that supports IT education and career pathways for under-resourced, under-represented populations.

If you have further questions regarding ISACA's certification programs, please do not hesitate to contact me. We are proud to partner with global industry, academic institutions, and training organizations worldwide. We look forward to working with City Colleges of Chicago to make the implementation of ISACA educational programs a long-term success.

Best regards,

Ajay Barot
