00100 BIDDING REQUIREMENTS**1.01 Compliance with Laws**

The bidder shall at all times observe and comply with all laws, ordinances, regulations and codes of the Federal, State, and City governments and the Board of Trustees of Community College District 508 (Owner, Board, City Colleges, CCC) which may in any manner affect the preparations of bids or the performance of the Contract.

1.02 Vietnam Era Veterans' Readjustment Assistance Act of 1974

The Vietnam Era Veterans' Readjustment Assistance Act of 1974 of the United States Code, Title 38, Part III, Chapter 42, in part, as follows:

"Any contract in the amount of \$10,000 or more entered into by any department or agency for the procurement of personal property and non-personal services (including construction) for the United States, shall contain a provision requiring that the party contracting with the United States shall take affirmative action to employ and advance in employment qualified disabled veterans and veterans of the Vietnam era. The provisions of this section shall apply to any subcontract entered into by a prime Contractor....."

The regulations require that: (1) Contractors list immediately with the appropriate local employment service office all of their suitable employment openings, and (2) each local employment service office gives such veterans priority in referral to openings.

Veterans who believe that a Contractor has failed or refused to comply with the above contract provisions may file a complaint with the Veterans' Employment Service of the Labor Department. The Secretary of Labor will investigate and take action on any such complaints.

Federal Contractors and Subcontractors, including colleges and universities, are now involved with the concept of "affirmative action" in three separate areas of federal law: Executive Orders 11246 and 11375, which require affirmative action for eliminating discrimination based upon race, color, religion, sex and national origin; Rehabilitation Act of 1973, which requires affirmative action in the employment of mentally and physically handicapped individuals; and the above mentioned requirements for veterans' employment. These obligations of federal Contractors should not be confused with nondiscrimination in employment requirements for all employers under Title VII of the Civil Rights Act of 1964 (as amended) and the Equal Pay Act of 1963 (as amended), or with sex discrimination requirements for all recipients of federal financial assistance under Title IX of the Education Amendments of 1972.

1.03 Examination by Bidder

The bidder shall, before submitting a bid, carefully examine the bid, plans, specifications, and contract documents. He shall inspect in detail the site of the proposed work and familiarize himself with all the local conditions affecting the contract. If his bid is accepted, he will be responsible for all errors in his bid resulting from his failure or neglect to comply with these instructions. The City Colleges of Chicago will, in no case, be responsible for any change in anticipated profits resulting from such failure or neglect.

Failure of the Contractor to familiarize himself/herself with all requirements of the Contract Documents will not relieve him/her from complying with all of the provisions thereof.

1.04 Taxes

The City Colleges of Chicago is a public institution and is not subject to sales tax.

1.05 Preparation of Bid

The bidder shall prepare his bid on the bid submittal forms. Unless otherwise stated, all blank spaces on the bid page or pages, applicable to the subject specifications, must be filled in correctly. Either a unit price or a lump sum price, as the case may be, must be stated for each and every item, either typed in or written in ink, in figures, and, if required, in words.

If bidder is a corporation, the President and Secretary shall execute the bid. The Corporate seal shall be affixed to the bid. In the event that this bid is executed by other than the President, attach hereto a certified copy of that section of Corporate Bylaws or other authorization by the Corporation which permits the person to execute the offer for the corporation.

If bidder is a partnership, all partners shall execute the bid, unless one partner has been authorized to sign for the partnership, in which case, evidence of such authority satisfactory to the City Colleges of Chicago shall be submitted.

If bidder is a sole proprietor, he shall execute the bid.

A "Partnership" or "Sole Proprietor" operating under an Assumed Name, must be registered with the Illinois county in which located, as provided in Chapter 96, Section 4 et sub, Illinois Revised Statutes 1967.

1.06 Submission of Bid

All prospective bidders shall submit two (2) USB drives and two (2) original signature hard copies of their sealed bids. When bids are sent by mail to the City Colleges of Chicago, the bidders shall be responsible for its delivery to the City Colleges of Chicago before the advertised date and hour for the opening of bids. If the mail is delayed beyond the date and hour set for the bid opening, bids thus delayed will not be considered and will be returned unopened.

If you are unable to quote on this bid, please so state on the bid submittal form in Section 00500 and return it to us so that the Board may know that you have had an opportunity to bid.

1.07 Withdrawal of Bid

Bidders may withdraw their bid at any time prior to the time specified as the closing time for the receipt of bids. However, no bidder shall withdraw or cancel his bid for a period of one-hundred twenty (120) calendar days after said closing time for the receipt of bids nor shall the successful bidder withdraw, cancel or modify his bid after having been notified by the City Colleges of Chicago that said bid has been accepted.

1.08 Competency of Bidder

No bid will be accepted or contract awarded to any person, firm or corporation that is in arrears or is in default to the City Colleges of Chicago upon any debt or contract, or that is a defaulter, as surety or otherwise, upon any obligation to said City Colleges of Chicago, or had failed to perform faithfully any previous contract with the City Colleges of Chicago.

The contract will be awarded only to a responsible Contractor, qualified by experience and in a financial position to do the work specified.

1.09 Consideration of Bids

The Board reserves the right to reject any or all bids and to disregard any informality in the bids and bidding when, in its opinion, the best interest of the City Colleges of Chicago will be served by such action.

It is the intent of this specification to obtain competitive prices on the items and/or services specified.

1.10 Acceptance of Bids

The City Colleges of Chicago will accept in writing one of the bids or reject all bids, within one-hundred twenty (120) days from the date of opening bids, unless the lowest responsible bidder, upon request of the City Colleges of Chicago, extends the time of acceptance to the City Colleges of Chicago.

1.11 Exceptions

Any deviations from these specifications must be noted on the Bid Submittal Form or pages attached thereto, with the exact nature of the change outlined in sufficient detail. The reason for which deviations were made should also follow if not self-explanatory. Failure of a bidder to comply with the terms of this paragraph may be cause for rejection.

City Colleges of Chicago reserves the right to disqualify bids which do not completely meet outlined specifications. City Colleges of Chicago will evaluate the impact of exceptions to the specification in determining its need.

1.12 Interpretation of Contract Documents

If any person contemplating submission of a bid is in doubt as to the true meaning of any part of the specifications or other contract documents, he may submit to the City Colleges of Chicago a written request for an interpretation thereof. The person submitting the request will be responsible for its prompt delivery. Any interpretation of the proposed documents will be made only by an addendum duly issued by the City Colleges of Chicago. A copy of such addendum will be mailed or delivered to each person receiving a set of such contract documents and to such other prospective bidders as shall have requested that they be furnished with a copy of each addendum. Failure on the part of the prospective bidder to receive a written interpretation prior to the time of the opening of bids will not be grounds for withdrawal of bid. Bidder will acknowledge receipt of each addendum issued in space provided on bid page. Oral explanations will not be binding.

In the case of conflict between the written specifications and the drawings, the item with the most stringent requirements shall apply.

1.13 Conflicts

In the event of a conflict between the Contractor's terms and conditions and those of City Colleges of Chicago, City Colleges of Chicago's terms and conditions will take precedence.

1.14 Sexual Harassment Policy

State law requires that every party to a public contract and every eligible bidder shall have a written sexual harassment policy that includes at a minimum: (1) a statement that sexual harassment is illegal; (2) the definition of sexual harassment under Illinois law; (3) a description of sexual harassment, utilizing examples; (4) the bidder's internal complaint process including penalties; (5) the legal recourse, investigative and complaint process available through the Illinois Department of Human Rights (IDHR) and the Illinois Human Rights Commission (IHRC); (6) directions on how to contact the IDHR and IHRC; and (7) protection against retaliation for reporting suspected sexual harassment. See Illinois Human Rights Act 775 ILCS 5/2-105.

A copy of the Bidder's sexual harassment policy shall be provided to the City Colleges of Chicago upon request. Failure to provide a copy of said policy upon request will result in rejection of the bid.

1.15 Illinois Criminal Code 33E-3 and 33E-4 Compliance

The bidder certifies that he/she is not barred from bidding on or entering into public contracts due to having been convicted of bid-rigging or bid rotating under paragraphs 33E-3 or 33E-4 of the Illinois Criminal Code. Bidder also certifies that no officers or employees of the bidder have been so convicted that the bidder is not the successor company or a new company created by the officers or owners of one so convicted. Bidder further certifies that any such conviction occurring after the date of this certification will be reported to the public body awarding the contract or agents thereof, immediately in writing, if it occurs during the bidding process, or otherwise prior to entering into the contract therewith.

1.16 Pre-Bid Meeting

No pre-bid conference will not be held for this bid solicitation process.

1.17 Basis of Award

Bids will be awarded based on the overall total bid and trucks for snow plowing or by individual item whichever is in the best interest of the District.

City Colleges of Chicago reserves the right to award a contract or multiple contracts herein or reject any or all bids when, in its opinion, the best interest of the City Colleges of Chicago will be served thereby.

City Colleges of Chicago reserves the right to correct mathematical errors.

1.18 Minority/Women Business Enterprise Plan (M/WBE)

The City Colleges of Chicago has adopted a Minority/Women Business Enterprise Plan ("M/WBE Plan") and the requirements are detailed in Appendix1 of this solicitation ("City Colleges of Chicago Conditions Regarding Compliance with the Minority Business Commitment and Women Business Commitment").

Bidders are required to submit Schedules A and C and current certification letters from acceptable certifying agencies with their sealed bid submissions. These documents must clearly outline the Bidder's plans to utilize MBE and WBEs in accordance with the M/WBE Plan. Failure to address the M/WBE Conditions could impact the determination of a bid's responsiveness.

Additionally, Bidders must first consider the product's entire supply chain for direct subcontract opportunities. If none are available, indirect participation must be thoroughly considered. Indirect subcontract opportunities include those that are part of a firm's business operations such as truck delivery, fuel, vehicle washing, graphics, etc. All efforts to comply must be documented in the required documents.

If you have any questions regarding the M/WBE Conditions please email them by Tuesday, November 20, 2018, no later than 2:00 p.m. to procurementservices@ccc.edu to the attention of Marietta Williams-Johnson, Buyer. Please include the bid number in the subject line.

1.19 Minimum Wage Ordinance

Effective December 11, 2014, City Colleges of Chicago (CCC) adopted Mayoral Executive Order 2014-1 which provides for a fair and adequate Minimum Wage to be paid to employees of CCC contractors and subcontractors performing work on CCC contracts. A copy of the Order may be downloaded from the Chicago City Clerk's website at: <http://chicityclerk.com/wp-content/uploads/2014/09/Executive-Order-No.-2014-1.pdf>

If this contract was advertised on or after December 11, 2014, Contractor must comply with Mayoral Executive Order 2014-1 and any applicable regulations issued by the Chief Procurement Officer. As of December 11, 2014, the Minimum Wage to be paid is \$13.00 per hour. The Minimum Wage must be paid to:

- All employees regularly performing work on CCC property or at a CCC jobsite.
- All employees whose regular work entails performing a service for CCC under a CCC contract.

The Minimum Wage is not required to be paid to employees whose work is performed in general support of contractors operations, does not directly relate to the services provided to CCC under the contract, and is included in the contract price as overhead, unless that employee's regularly assigned work location is on CCC property or at a CCC jobsite. It is also not required to be paid by employers that are 501(c)(3) not-for-profits.

Except as further described, the Minimum Wage is also not required to be paid to categories of employees subject to subsection 4(a)(2), subsection 4(a)(3), subsection 4(d), subsection 4(e), or Section 6 of the Illinois Minimum Wage Law, 820 ILCS 105/1 et seq., in force as of the date of this Contract or as amended. Nevertheless, the Minimum Wage is required to be paid to those workers described in subsections 4(a)(2)(A) and 4(a)(2)(B) of the Illinois Minimum Wage Law.

Additionally, the Minimum Wage is not required to be paid to employees subject to a collective bargaining agreement that provides for different wages than those required by Mayoral Executive Order 2014-1, if that collective bargaining agreement was in force prior to December 11, 2014, or if that collective bargaining agreement clearly and specifically waives the requirements of the order.

If the payment of a prevailing wage is required and the prevailing wage is higher than the Minimum Wage, then the Contractor must pay the prevailing wage.

1.20 Prevailing Wages

This contract calls for the construction of a "public work," within the meaning of the Illinois Prevailing Wage Act, 820 ILCS 130/01 et seq. ("the Act"). The Act requires contractors and subcontractors to pay laborers, workers and mechanics performing services on public works projects no less than the current "prevailing rate of wages" (hourly cash wages plus amount for fringe benefits) in the county where the work is performed. The Department publishes the prevailing wage rates on its website at <http://www.state.il.us/agency/idol/rates/rates.HTM>. The Department revises the prevailing wage rates and the contractor/subcontractor has an obligation to check the Department's web site for revisions to prevailing wage rates. For information regarding current prevailing wage rates, please refer to the Illinois Department of Labor's website. All contractors and subcontractors rendering services under this contract must comply with all requirements of the Act, including but not limited to, all wage requirements and notice and record keeping duties.

END OF SECTION

- B. That, if it hires additional employees in order to perform this Contract or any portion hereof, it will determine the availability (in accordance with the Illinois Department of Human Rights) of minorities and women in the area(s) from which it may reasonably recruit and it will hire for each job classification for which employees are hired in such a way that minorities and women are not underutilized.
- C. That, in all solicitations or advertisements for employees placed by it or on its behalf, it will state that all applicants will be afforded equal opportunity without discrimination because of race, color, religion, sex, national origin or ancestry.
- D. In addition, no Contractor will utilize any Subcontractor declared by the Department to be non-responsible and therefore ineligible for contracts or subcontracts with the State of Illinois or any of its political subdivisions or municipal corporations.

With respect to the two types of subcontracts referred to under paragraph G of the Equal Employment Opportunity Clause above, following is an excerpt of Section 2 of the Illinois Department of Human Rights' Rules and Regulations for Public Contracts:

"Section 2.10 The term "Subcontract" means any agreement, arrangement or understanding, written or otherwise, between a Contractor and any person (in which the parties do not stand in the relationship of an employer and an employee):

- For the furnishing of supplies or services or for the use of real or personal property, including lease arrangements, which, in whole or in part, is utilized in the performance of any one or more contracts; or
- Under which any portion of the Contractor's obligation under any one or more contracts is performed, undertaken or assumed."

2.02 Non-Discrimination

A Contractor, in performing under this contract, shall not discriminate against any worker, employee or applicant, or any member of the public, because of race, creed, color, sex, age or national origin, nor otherwise commit an unfair employment practice.

No payments will be made or due to the contractor under this contract beyond those amounts appropriated and budgeted by the City Colleges of Chicago to fund payment under this contract.

City Colleges of Chicago may terminate this Contract, or any portion of the Services to be performed under it, at any time for convenience by a notice in writing from CCC to the Proposer when the Contract may be deemed no longer in the best interest of CCC.

Termination for Default. Subject to Section 10(a) herein, this Agreement may also be terminated for default. Each of the following shall constitute an event of default by Consultant ("Default").

- i. Any material misrepresentation, whether in the inducement or in the performance, made by the Consultant to the Institution; and
- ii. A breach of a representation or warranty contained in this Agreement; and
- iii. The insolvency, bankruptcy or committing of any act of bankruptcy or insolvency, or making an assignment for the benefit of creditors; and
- iv. Failure to comply with or perform any material provision of this Agreement; and
- v. Failure or refusal to provide enough properly skilled personnel, adequate supervision, or adequate materials and equipment of the proper quality to perform the Services; and
- vi. Causing, by any action or omission, the stoppage, delay of, or interference with, the work of any other Consultant or sub-consultant.

If a court of competent jurisdiction rules that termination of this Agreement by the Institution for default of Consultant was wrongful, then the termination shall be deemed to have been a termination for convenience.

a. Curable and Incurable Defaults. Time-sensitive defaults (e.g., failure to meet deadlines) are not curable unless the Institution, in its sole and absolute discretion, extends the deadline. Such extension, however, does not relieve Consultant of liability for any damages the Institution may suffer. Consultant shall cure any default that is not time-sensitive with ten (10) calendar days after Consultant is given notice of the default.

b. Remedies. In addition to any other remedies contained herein, the Institution may invoke any or all of the following remedies for a Default:

- i. Complete the Services at Consultant's expense, either directly or through the use of contractors and subcontractors; or
- ii. Receive a refund or withhold all or any portion of the Fee; or
- iii. Demand specific performance, an injunction or any other appropriate equitable remedy; or
- iv. Terminate this Agreement.

c. Right to Offset. All costs incurred by the Institution due to: (i) termination of this Agreement for default; or (ii) Consultant's performance of the Services; or (iii) Institution's exercise of any of the remedies available herein, may be offset by: (i) any credits due to or overpayments made by the Institution; or (ii) any payments due to Consultant for Services completed. If such amount offset is insufficient to cover those excess costs, Consultant shall be liable for and promptly remit to the Institution the balance upon written demand. This right to offset is in addition to and not a limitation on any other remedies available to the Institution.

No remedy hereunder is exclusive of any other remedy, but each remedy shall be cumulative and in addition to any other remedies at law, in equity or by statute existing now or hereafter. No delay or omission to exercise any right or power accruing upon any Default shall impair any such right or power nor shall it be construed to be a waiver of any Default or acquiescence therein, and every such right and power may be exercised periodically and as often as may be deemed expedient. If the Institution considers it to be in the Institutions best interest, it may choose not to declare a default or terminate the Agreement. The parties acknowledge that this provision is solely for the benefit of the Institution and that if the Institution permits Consultant to continue providing Services despite one or more events of default, the Consultant is in no way relieved of any of its duties and obligations under the Agreement and the Institution does not waive or relinquish any of its rights.

Additional Provisions. The parties further agree the following provisions:

- a. **Cooperation with Successors.** If this Agreement expires or is terminated for any reason, Consultant shall use its best efforts to assure an orderly transition to Institution and to the successor consultant, if any. Consultant must make an orderly demobilization of its own

operations, provide the Services uninterrupted until the effective day of such termination or expiration, and otherwise comply with the reasonable requests and requirements of the Institution in connection with the termination or expiration.

Except in cases where the bidder/proposer has submitted a complete request for a waiver or variance of the MBE or WBE goals in accordance with Section 8 (below), the bidder/proposer must commit to the expenditure of an estimated percentage of their proposed contract value. Specific dollar amounts of participation by each certified MBE/WBE firm should also be included on the Schedule A as practicable.

Additionally, the total dollar commitments proposed for certified MBE firm(s) must at least equal the MBE goal, and the total dollar commitment to propose certified WBEs must at least equal the WBE goal.

All commitments made on the bidder/proposer's Schedule A must correspond with those presented on the Schedule C documents that are described below.

Additionally, a fully completed and executed Schedule A must be submitted with the bid/proposal when due. Failure to submit the completed Schedule A or a waiver request in accordance with this section will be cause for finding bid/proposal non-responsive and may result in rejection of bid/proposal.

B. Schedule C: Letter of Intent

A Schedule C [Schedule C-1 (MBE/WBE Bidder/Proposer or Schedule C-2 (Joint Venture Partner) as described herein] must be completed in its entirety and executed by each certified MBE and WBE firm listed on the Schedule A and submitted with the bid/proposal.

5.3 Deficient Compliance Plans

Upon receipt of the Compliance Plan submitted with the bid/proposal, the Office of MBE/WBE Compliance will determine if the bid/proposal is responsive. A bid/proposal may be treated as non-responsive by reason of the determination that the Bidder/Proposer's response did not contain a sufficient level of certified MBE or WBE participation or an approved waiver request.

During the period between bid opening/proposal due date and contract award the MBE/WBE Plan will be evaluated by the Office of M/WBE Contract Compliance for the following:

- 8) Compliance history on previous contracts with CCC and its sister agencies

The Bidder/Proposer agrees to provide, upon request, earnest and prompt cooperation to the Office of M/WBE Contract Compliance in submitting to interviews that may be necessary, in allowing entry to places of business, in providing further documentation, or in soliciting the cooperation of a proposed certified MBE or WBE firm in providing such assistance.

Additionally, a bid/proposal may be treated as non-responsive by reason of the determination that the Bidder/Proposer was unresponsive or uncooperative when asked for further information relative to the bid/proposal, or that false statements were made in the Schedules.

SECTION 6: COUNTING MBE/WBE PARTICIPATION TOWARD CONTRACT GOALS

- 6.1 Only certified MBE and WBE participation shall be counted toward the MBE and WBE goals set in this Contract and applied as follows:

A. Direct Participation

An MBE or WBE firm should be used directly in the performance of the scope of services that the Bidder/Proposer is providing for the District. The MBE or WBE's total contract value can be credited towards the participation goals for direct participation.

B. Indirect Participation

In the event the Bidder/Proposer's specific scope of services does not provide an opportunity for direct subcontracting, the Bidder/Proposer must consider other ways to engage MBEs and WBEs to meet the contract participation goals.

The expenditures with MBE and WBE vendors that are being used in the Bidder/Proposer's overall business operations for goods or services that are ancillary to the CCC contract such as transportation, advertising, accounting, landscaping, office supply can be credited at 100%.

C. Commercially Useful Function (CUF)

A Bidder/Proposer may count toward its MBE and WBE goal only expenditures to certified firms that will perform a commercially useful function in the work of a contract. A firm is considered to perform a commercially useful function when it is responsible for a distinct element of work of a contract and carries out the responsibilities by actually performing, managing, and supervising the work involved using its own resources.

The Office of M/WBE Contract Compliance will use a variety of methods to determine whether or not an MBE or WBE is performing a CUF at any time (pre-award, during contract execution and/or during the contract close-out phase) including but not limited to:

- 1) Project site visits;
- 2) Documentation requests and/or
- 3) Interviews with MBE or WBE owners or employees

D. MBE/WBE Subletting

Consistent with normal industry practices, a certified MBE or WBE subcontractor may enter into further subcontracts. If a certified MBE/WBE contractor subcontracts a significantly greater portion of the work of the contract than would be expected on the basis of normal industry practices, the certified MBE or WBE shall be presumed not to be performing a commercially useful function. Evidence may be presented, in writing, to the Office of M/WBE Contract Compliance by the contractors involved to rebut this presumption.

E. Counting MBE/WBE Manufacturers

A Contractor may count toward its goals expenditures to certified MBE or WBE manufacturers (i.e., suppliers that produce goods from raw materials or substantially alters them before resale) at 100%.

F. Counting MBE/WBE Suppliers

A Contractor may count 100% of its expenditures with certified MBE or WBE suppliers toward its compliance goals provided that the supplier performs a commercially useful function in the supply chain process and is a regular dealer.

G. Counting Total Dollar Value Awarded To Certified MBEs/WBEs

The total dollar value of contract awarded to a certified MBE or WBE firm shall only be credited to one of the respective certification statuses. The Contractor employing the certified firm may choose the goal to which the contract value is applied—either MBE or WBE; not both.

Work done by one and the same subcontractor shall be considered, for the purpose of this principle, as work effectively under one subcontract only, in which the subcontractor may be counted toward only one of the goals, but not toward both.

H. MBE/WBE Controlled Firms

If the Bidder or Proposer is a certified MBE most of the total contract value can be counted toward the fulfillment of the MBE goal and similarly, if a WBE is the Bidder or Proposer, most of the total contract value can be counted toward the fulfillment of the WBE goal. However, MBE Bidders/Proposers must obtain a certified WBE subcontractor and a WBE Bidder/Proposer must obtain a certified MBE subcontractor to meet the respective goals.

Additionally, if a firm is certified as both an MBE and WBE, they can only use one of the certification statuses to fulfill one of the goals; not both.

MBE and WBE Bidder/Proposers must submit a Schedule C-1 which outlines their intent to subcontract any portion of their work they do not plan to self-perform.

Moreover, an MBE or WBE Bidder/Proposer must submit a Schedule A, Schedule C(s) for MBE or WBE subcontractors, and certification letters for themselves and any other MBE or WBE they may be utilizing on the contract.

I. Counting Total Dollar Value of Eligible Joint Ventures

A Contractor may count toward its MBE or WBE goal the portion of the total dollar value of a contract with an eligible joint venture equal to the percentage of the ownership and control of the MBE or WBE partner in the joint venture. A joint venture seeking to be credited for MBE participation may be formed among certified MBE and WBE firms, or between certified MBE and WBE firms and a non-MBE/WBE firm. A joint venture satisfies the eligibility standards of this Plan if the certified MBE or WBE participant of the joint venture:

1. Shares in the ownership, control, management responsibilities, risks and profits of the joint venture; and
2. Is responsible for a clearly defined portion of work to be performed in proportion to the certified MBE or WBE ownership percentage.

A Schedule C-2 and Joint Venture agreement must be submitted to support utilizing an MBE or WBE as a Joint-Venture participant.

- 6.2 A Contractor may count toward its MBE/WBE goal the following expenditures to certified firms that are not manufacturers or regular dealers:

A. Fees or Commissions For Providing Services

The fees or commissions charged for providing a bona fide service, such as professional, technical, consultant or managerial services and assistance in the procurement of essential personnel, facilities, equipment, materials or supplies required for performance of the contract, provided that the fee or commission is determined by the Office of M/WBE Contract Compliance to be reasonable and not excessive as compared with fees customarily allowed for similar services.

B. Fees For Delivering Materials and Supplies

The fees charged for delivery of materials and supplies required on a job site (but not the cost of the materials and supplies themselves) when the hauler, trucker, or delivery service is not also the manufacturer of or a regular dealer in the materials and supplies, provided that the fee is determined by the Office of M/WBE Contract Compliance to be reasonable and not excessive as compared with fees customarily allowed for similar services.

C. Fees or Commissions For Bonds or Insurance

The fees or commissions charged for providing any bonds or insurance specifically required for the performance of the contract, provided that the fee or commission is determined by the Office of M/WBE Contract Compliance to be reasonable and not excessive as compared with fees customarily allowed for similar services.

SECTION 7: CHANGES TO MBE/WBE PARTICIPATION PLAN

7.1 Termination of Scope of Work Not Permitted

After submitting executed MBE and/or WBE sub-agreements to the Office of M/WBE Contract Compliance, the Contractor shall thereafter neither terminate the sub-agreement, nor reduce the scope of the work to be performed by the certified MBE or WBE firm, nor decrease the price to the MBE or WBE firm, without in each instance receiving the prior written approval of the Office of M/WBE Contract Compliance.

7.2 **Substitutions**

If it becomes necessary to substitute an MBE and/or WBE to fulfill the Contractor's MBE and/or WBE commitments, the Office of M/WBE Contract Compliance must be given reasons justifying the release of prior specific MBE and/or WBE commitments established in the Contractor's bid/proposal in order to review the propriety of the proposed substitution.

A substitution of MBE or WBE firms cannot be made without prior approval from the Office of MBE/WBE Compliance. In addition to the explanation provide above, the approval process must include a revised Schedule A, a Schedule C for the replacement firm(s) and current certification letter(s).

The approval process should also include concurrence from the affected MBE or WBE received either proactively from the Prime Vendor or by the Office of MBE/WBE Compliance.

SECTION 8: WAIVERS of MBE and WBE GOALS

8.1 **Inability to Meet Participation Goals**

If a Bidder/Proposer is unable to identify certified MBE and WBE firms to perform sufficient work to fulfill the MBE or WBE percentage goals for a contract, the bid/proposal must include a Schedule D (written request for waiver).

Submission of the Schedule D is not an automatic approval of the requested waiver. The approval of the requested waiver will be based, in part by the supporting documentation demonstrating the Bidder/Proposer's inability to obtain sufficient certified MBE and WBE firms, notwithstanding good faith attempts to achieve such participation.

Examples of such good faith efforts may include, but are not limited to, the following:

- a) Attendance at the Pre-bid/proposal conference.
- b) The Bidder/Proposer's general affirmative action policies regarding the utilization of MBE and WBE firms, plus a description of the methods used to carry out those policies.
- c) Advertisement in trade association newsletters and minority-oriented and general circulation media for specific sub-bids/proposals.
- d) Timely notification of specific sub-bids/proposals to minority and women assistance agencies and associations.

- e) Description of direct negotiations with certified MBE and WBE firms for specific sub-bids/proposals, including:
- f) the name, address and telephone number of the certified MBE and WBE firms contacted;
- g) a description of the information provided to certified MBE and WBE firms regarding the portions of the work to be performed; and
- h) the reasons why additional certified MBE and WBE firms were not obtained in spite of negotiations.
- i) A statement of the efforts made to select portions of the work proposed to be performed by certified MBE and WBE firms (such as sub-supplier, transport, engineering, distribution, or any other roles contributing to production and delivery as specified in the Contract) in order to increase the likelihood of achieving such participation.
- j) A detailed statement of the reasons for the Bidder/Proposer's conclusion that each certified MBE and WBE contacted, were not qualified.
- k) Efforts made by the Bidder/Proposer to expand its search for certified MBE and/or WBE firms beyond usual geographic boundaries.
- l) General efforts made to assist MBE and WBE firms to overcome participation barriers.

8.2 **Unacceptable Basis for Waiver Request**

If the bidder/proposer does not meet the MBE/WBE goal, price alone shall not be an acceptable basis for which the bidder may reject a certified MBE/WBE sub-bid/proposal unless the bidder can show to the satisfaction of the Office of M/WBE Contract Compliance that no reasonable price can be obtained from a certified MBE/WBE.

A determination of reasonable price is based on such factors as the estimate for the work under a specific subcontract, the bidder's own estimate for the specific subcontract, and the average of the bona fide prices quoted for the specific subcontract. A bid from a certified MBE/WBE for a subcontract will be presumed to be unreasonable if the MBE/WBE price exceeds the average price quoted by more than 15 percent.

8.3 Subsequent Waiver by Request of Contractor

During the performance of a contract, a contractor may request a partial waiver from compliance with its original MBE or WBE proposal for the following reasons:

- a) Due to substantially changed circumstances the contractor is unable to meet the previously stated MBE or WBE goal(s);
- b) Despite every good faith effort on the part of the contractor, it is unable to meet the previously stated MBE or WBE goal(s)

8.4 Waiver Initiated by City Colleges of Chicago

The Chancellor or their designee may grant a waiver from MBE or WBE requirements for an individual contract upon a determination that there are insufficient certified MBEs or WBEs available to fulfill such requirements for that particular contract.

A determination by the Chancellor to waive MBE or WBE requirements for an individual contract must be stated in writing, and placed in the appropriate project file.

SECTION 9: REPORTING AND RECORD-KEEPING REQUIREMENTS

9.1 Execution of Subcontract By Contractor

The Contractor, within five (5) working days after Contract award, shall execute a formal subcontract or purchase order in compliance with the terms of the Contractor's bid/proposal and MBE and WBE assurances and should be submitted to the Office of MBE/WBE Compliance within three (3) business days if requested by the Office of MBE/WBE Compliance.

In addition, each subcontract between the Bidder/Proposers and any certified MBE or WBE firm performing work on the Contract shall include remedies for non-compliance with the commitment to MBE and WBE participation, including an agreement to pay damages to the certified MBE and WBE firms which were underutilized.

9.2 Payments to MBE and WBES

During the performance of the Contract, the Contractor shall file regular MBE and WBE payment reports, on the form entitled "Monthly and Quarterly Report of Payments to MBE and WBE Subcontractors."

Additionally, invoices and/or other documentation must be submitted to the Office of MBE/WBE Compliance within five (5) days upon request to support the utilization of MBEs and WBES.

9.3 Maintenance of Relevant Records

The Contractor shall maintain records of all relevant data with respect to the utilization of certified MBE and WBE firms, including without limitation payroll records, tax returns and records, and book of accounts, and retain such records for a period of at least three (3) years after final acceptance of the work. Full access to such records shall be granted to the Office of M/WBE Contract Compliance or its designee, on five (5) business days' notice in order to determine the Contractor's compliance with its MBE and WBE commitments and the status of any certified MBE or WBE firm performing any portion of the Contract.

SECTION 10: NON-COMPLIANCE WITH MBE and WBE PARTICIPATION GOALS

10.1 Compliance Audits

Whenever the Office of M/WBE Contract Compliance believes that the contractor or any of its subcontractors may not be operating in compliance with this Plan, it shall conduct an appropriate investigation.

10.2 Notification regarding Non-compliance

Upon indications of inadequate compliance or non-compliance, the Office of M/WBE Contract Compliance will notify the contractor and the subcontractor, in writing.

The Office of M/WBE Contract Compliance, the contractor or subcontractor may request an opportunity to meet to discuss MBE/WBE contract compliance. The contractor or subcontractor shall make such request to the Office of M/WBE Contract Compliance in writing within five (5) working days of receiving notice. The meeting shall be scheduled by the Office of M/WBE Contract Compliance at a reasonable date, time and place, with notice to contractor and subcontractor.

10.3 Determination of non-compliance

If after notification and subsequent discussions, the Office of M/WBE Contract Compliance determines that a contractor is not meeting or has not met applicable MBE or WBE goals and is not demonstrating or has not demonstrated every good faith to meet the goals, the contractor shall be subject to suitable sanctions as set forth in paragraph 10.3 A (Sanctions) below.

10.4 MBE and WBE Remedies For Prime Vendor Non-Compliance

The unexcused reduction of certified MBE or WBE participation in connection with the Contract including any modification thereof, shall entitle the affected certified MBE and WBE firms to payments pursuant to such agreement. Such provisions shall include an undertaking by the Contractor to submit any dispute concerning such damages to binding arbitration by an independent arbitrator, other than the City Colleges of Chicago, with reasonable expenses, including attorneys' fees, being

recoverable by a prevailing certified MBE or WBE. Nothing herein shall be construed to limit the rights of and remedies available to the City Colleges of Chicago.

10.5 Sanctions for Non-compliance

A. Terms and Conditions of Plan Applying To All Contracts

The MBE/WBE requirements of these Terms and Conditions shall be incorporated into all of the contracts between City Colleges and its vendors. In addition to any other remedies City Colleges may have, the following apply:

Where the Office of M/WBE Contract Compliance determines the conditions set forth in Section 10.3 above to exist during the term of the contract, the Office of M/WBE Contract Compliance may recommend that the Board suspend or terminate the contract, in whole or in part, and may also declare the contractor ineligible for future contracts for a period of two (2) years.

The Contractor shall be liable to the City Colleges for any consequential damages incurred as a result of suspension or termination of the contract including damages arising either from delay or increased price in securing performance of the work by other contractors, attorney's fees and court cost.

Where the Office of M/WBE Contract Compliance determines the conditions set forth in paragraph 10.3 above to exist at the conclusion of a contract, the Office of M/WBE Contract Compliance may declare the contractor ineligible for future contracts for a period of two (2) years.

If a Contractor has provided false or misleading information in connection with certification, bid or proposal documents, compliance progress reports, or any other aspect of this Plan, the Office of M/WBE Contract Compliance may impose any of the sanction described in paragraph 10.5 (Sanctions) and all its subsections.

If there is a bona fide payment dispute between a Contractor and its certified M/WBE subcontractor for work performed under the Plan, the City Colleges may withhold payment of the disputed amount from the Contractor and place such funds in an interest bearing account pending resolution of the dispute, by judicial or other means.

B. Contractor's Right To Appeal Decision

A contractor shall have the right to appeal a decision from the Office of M/WBE Contract Compliance declaring it ineligible for future City College contracts. Such appeal shall be made to the Chancellor or his/her designee.

C. Sanctions Available To The City Colleges of Chicago

The failure of City Colleges to impose any sanction it may have under this Section shall not be deemed a waiver of its right to impose such a sanction for subsequent violations. The listing of sanctions available to City Colleges in paragraph 10.5 A shall not be deemed to exclude any other sanctions or remedies available at law or in equity.

NOTE: The bidder/proposer shall, in determining the manner of MBE/WBE participation, must first consider involvement with MBE/WBE firms as joint venture partners, direct subcontractors, and suppliers of goods and services directly related to the performance of this contract. A service not directly related to the scope of services, but utilized during the bidder/proposer's normal course of business is considered indirect.

Additionally, all MBE/WBE firms included in this plan must be currently certified as such by at least one of the following agencies acknowledged by the City Colleges of Chicago (City of Chicago, Cook County, State of IL, Chicago Minority Supplier Development Council and regional affiliates and/or the Women's Business Development Center and its regional affiliates).
