

Announcement of a Sole Source Purchase

First published Tuesday, June 16, 2020

City Colleges intends to award a contract to CollegeSource to provide a subscription agreement for Transferology – an online transfer advising tool for students and institutions, with the Transferology Lab providing institution-specific transfer advising and recruitment/enrollment functions. This tool has been recommended by the State of Illinois for over a decade and continues to be the best source to support the transfer initiatives within the state.

City Colleges has determined that this purchase is only economically available from this source because Transferology is the only tool that meets the State's requirements and has been adopted as the State's sole transfer tool by the Illinois Board of Higher Education (IBHE).
