**B. Preparatory Cost**

All costs incurred in the preparation and presentation of the Proposals shall be wholly borne by each Proposer.

**C. Submission of Proposals**

The City Colleges of Chicago at its discretion, may reject any or all of the proposals, cancel and reissue this RFP, negotiate with any, all or none of the proposers, solicit best and final proposal from all or some of the proposers and award a contract to one or more of the proposers. Proposers must comply with all laws, ordinances, regulations and codes of federal, state and city government that in any way affect the preparation of the Proposal or the performance of the contract.

**D. Contract Award**

The successful proposer will be required to enter into a Professional Service Agreement with the Board of Trustees of Community College District No. 508, which incorporates as part of the agreement, this RFP and the proposer's response to the RFP. City Colleges of Chicago reserves the right to award to multiple vendors.

CCC reserves the right to select or reject proposals which, in the opinion and discretion of CCC, will be in the best interest and/or the most advantageous to CCC. Following approval of the intended award by the District Board of Trustees, if applicable, an Agreement will be executed between CCC and selected vendor. Should CCC be unable to negotiate a satisfactory Agreement with the top ranked proposer, negotiations must be formally terminated and CCC can undertake negotiations with the second ranked firm, and so on, until a satisfactory Agreement is negotiated that is fair, competitive and reasonable.

**E. Withdrawal of Proposals**

Proposers may withdraw their proposals at any time prior to the time specified as the closing time for the receipt of proposals. However, no proposer shall withdraw or cancel his proposal for a period of one hundred-eighty (180) calendar days after said closing time for the receipt of proposals nor shall the successful proposer(s) withdraw, cancel or modify its proposal after having been notified by the City Colleges of Chicago that said proposal has been accepted.

**F. Addenda to this RFP**

Proposers in doubt as to the true meaning of this RFP or proposed contract documents must submit questions before the date for final questions. If the City Colleges of Chicago determines that this RFP should be modified before the date set for receipt of proposal, CCC will inform all prospect Proposers by distributing addendum. The addendum may be emailed, faxed or mailed to each Proposer receiving this RFP. City Colleges of Chicago will not be responsible for any other explanations which are not this RFP, which include addendum. Proposer must acknowledge receipt of each addendum issued in the RFP Executive Summary Introduction Letter.

**G. Conflicts**

In the event of conflict between the Contractor's terms and conditions and those of City Colleges of Chicago, City Colleges of Chicago's terms and conditions will take precedence.

**H. Indemnity**

Notwithstanding any other terms and conditions, including any obligations regarding insurance coverage, Vendor agrees to defend, indemnify, save and hold harmless fully the Board of Trustees of Community College District No. 508, its colleges, satellite campus', officers, employees, agents, students, volunteers and contractors against any and all claims, suits or judgments, costs or expenses, including attorney's reasonable fees, (collectively ("Loss")) in connection with this Agreement. This indemnification obligation does not extend to that portion of a Loss caused by Institution's negligence, as determined by a court of competent jurisdiction in a final, non-appealable judicial order. The firm must acknowledge in their submission their willingness to indemnify City Colleges of Chicago.

The requirements listed below are mandatory for protecting the interests of the City Colleges of Chicago.

1. The successful Proposer shall indemnify and hold CCC harmless from all providers' performance or failure of performance under the resulting contract.
2. The successful Proposer shall keep CCC free and clear from all liens asserted by any person or firm for any reason arising out of the furnishing of services or materials by or to the provider.
3. The action of the successful Proposer with third parties is not binding upon CCC.

**I. Termination**

**Termination for Convenience.** This contract can be terminated upon ten (10) days written notice by City Colleges of Chicago on the grounds of Proposer's violation of any terms and conditions of the Contract,

procedures or guidelines or inadequacy of Proposer's performance or if there is no further need for the requirements. In the event that no funds or insufficient funds are appropriated and budgeted in any fiscal period of the City Colleges of Chicago for payments to be made under this agreement, then the City Colleges of Chicago will notify the contractor of such occurrence and this agreement shall terminate on the earliest of the last day of the fiscal period for which sufficient appropriation was made or whenever the funds appropriated for payment under this Agreement are exhausted. No payments will be made or due to the contractor under this contract beyond those amounts appropriated and budgeted by the City Colleges of Chicago to fund payment under this contract.

City Colleges of Chicago may terminate this Contract, or any portion of the Services to be performed under it, at any time for convenience by a notice in writing from CCC to the Proposer when the Contract may be deemed no longer in the best interest of CCC.

**Termination for Default.** Subject to Section 10(a) herein, this Agreement may also be terminated for default. Each of the following shall constitute an event of default by Consultant ("Default").

- i. Any material misrepresentation, whether in the inducement or in the performance, made by the Consultant to the Institution; and
- ii. A breach of a representation or warranty contained in this Agreement; and
- iii. The insolvency, bankruptcy or committing of any act of bankruptcy or insolvency, or making an assignment for the benefit of creditors; and
- iv. Failure to comply with or perform any material provision of this Agreement; and
- v. Failure or refusal to provide enough properly skilled personnel, adequate supervision, or adequate materials and equipment of the proper quality to perform the Services; and
- vi. Causing, by any action or omission, the stoppage, delay of, or interference with, the work of any other Consultant or subconsultant.

If a court of competent jurisdiction rules that termination of this Agreement by the Institution for default of Consultant was wrongful, then the termination shall be deemed to have been a termination for convenience.

**a. Curable and Incurable Defaults.** Time-sensitive defaults (e.g., failure to meet deadlines) are not curable unless the Institution, in its sole and absolute discretion, extends the deadline. Such extension, however, does not relieve Consultant of liability for any damages the Institution may suffer. Consultant shall cure any default that is not time-sensitive with ten (10) calendar days after Consultant is given notice of the default.

**b. Remedies.** In addition to any other remedies contained herein, the Institution may invoke any or all of the following remedies for a Default:

- i. Complete the Services at Consultant's expense, either directly or through the use of contractors and subcontractors; or
- ii. Receive a refund or withhold all or any portion of the Fee; or

- iii. Demand specific performance, an injunction or any other appropriate equitable remedy; or
  - iv. Terminate this Agreement.
- c. **Right to Offset.** All costs incurred by the Institution due to: (i) termination of this Agreement for default; or (ii) Consultant's performance of the Services; or (iii) Institution's exercise of any of the remedies available herein, may be offset by: (i) any credits due to or overpayments made by the Institution; or (ii) any payments due to Consultant for Services completed. If such amount offset is insufficient to cover those excess costs, Consultant shall be liable for and promptly remit to the Institution the balance upon written demand. This right to offset is in addition to and not a limitation on any other remedies available to the Institution.

No remedy hereunder is exclusive of any other remedy, but each remedy shall be cumulative and in addition to any other remedies at law, in equity or by statute existing now or hereafter. No delay or omission to exercise any right or power accruing upon any Default shall impair any such right or power nor shall it be construed to be a waiver of any Default or acquiescence therein, and every such right and power may be exercised periodically and as often as may be deemed expedient. If the Institution considers it to be in the Institutions best interest, it may choose not to declare a default or terminate the Agreement. The parties acknowledge that this provision is solely for the benefit of the Institution and that if the Institution permits Consultant to continue providing Services despite one or more events of default, the Consultant is in no way relieved of any of its duties and obligations under the Agreement and the Institution does not waive or relinquish any of its rights.

**Additional Provisions.** The parties further agree the following provisions:

- a. **Cooperation with Successors.** If this Agreement expires or is terminated for any reason, Consultant shall use its best efforts to assure an orderly transition to Institution and to the successor consultant, if any. Consultant must make an orderly demobilization of its own operations, provide the Services uninterrupted until the effective day of such termination or expiration, and otherwise comply with the reasonable requests and requirements of the Institution in connection with the termination or expiration.

**J. Minimum Wage**

Effective December 11, 2014, City Colleges of Chicago (CCC) adopted Mayoral Executive Order 2014-1 which provides for a fair and adequate Minimum Wage to be paid to employees of CCC contractors and subcontractors performing work on CCC contracts. A copy of the Order may be downloaded from the Chicago City Clerk's website at: <https://www.chicityclerk.com/legislation-records/journals-and-reports/executive-orders>.

If this contract was advertised on or after December 11, 2014, Contractor must comply with Mayoral Executive Order 2014-1 and any applicable regulations issued by the Chief Procurement Officer. As of December 11, 2014, the Minimum Wage to be paid is \$13.00 per hour. The Minimum Wage must be paid to:

- All employees regularly performing work on CCC property or at a CCC jobsite.
- All employees whose regular work entails performing a service for CCC under a CCC contract.

The Minimum Wage is not required to be paid to employees whose work is performed in general support of contractors operations, does not directly relate to the services provided to CCC under the contract, and is included in the contract price as overhead, unless that employee's regularly assigned work location is

on CCC property or at a CCC jobsite. It is also not required to be paid by employers that are 501(c)(3) not-for-profits.

Except as further described, the Minimum Wage is also not required to be paid to categories of the Illinois Minimum Wage Law, 820 ILCS 105/1 et seq., in force as of the date of this Contract or as amended. Nevertheless, the Minimum Wage is required to be paid to those workers described in subsections 4(a)(2)(A) and 4(a)(2)(B) of the Illinois Minimum Wage Law.

Additionally, the Minimum Wage is not required to be paid to employees subject to a collective bargaining agreement that provides for different wages than those required by Mayoral Executive Order 2014-1, if that collective bargaining agreement was in force prior to December 11, 2014, or if that collective bargaining agreement clearly and specifically waives the requirements of the order.

If the payment of a prevailing wage is required and the prevailing wage is higher than the Minimum Wage, then the Contractor must pay the prevailing wage.

**K. Prevailing Wage**

As required by the Illinois Revised Statutes, Chapter 48, Sections 39s-1 -39s-11, Prevailing Wage Act, as amended, requires that all wages paid to laborers, workers or mechanics performing work under this contract be in accordance with the general prevailing hourly rate of wages for persons engaged in the construction of public works in this locality as determined by the Department of Labor of the State of Illinois.

**L. Contract Terms**

The Professional Services Agreement in Appendix V is provided for information only. Execution of the Professional Services Agreement is not required at the time the proposal is submitted. At the time of submitting their proposals, proposers must include a statement specifying if they are agreeing to the proposed terms and conditions of the Professional Services Agreement or if it is proposing exceptions and/or additional contracts or agreements. In the event you disagree with the Professional Services Agreement provisions, submit any exceptions to the proposed Professional Services Agreement and include the rationale for taking the exception. If you are proposing alternate language, please include the language for consideration. The proposer must include with its proposal, any additional contract or agreements from the proposer or any third-party vendor, which require execution by the District. The failure to include any exceptions to the Professional Services Agreement and any additional contracts or agreement may result in the District determining that the proposal is non-responsive.

**M. Payment**

The selected proposer will not be entitled to demand or receive payment under this Agreement until all of the stipulations, provisions and conditions set forth in the Agreement have been complied with. Invoice(s) should be transmitted to the Accounts Payable Department via e-mail (preferred method) to [accountpayableservices@ccc.edu](mailto:accountpayableservices@ccc.edu) or in duplicate hard copy to CCC, Accounts Payable Department,

Net 60 days – CCC will issue traditional checks to suppliers unable to accept one of the preferred electronic methods.

MBE Participation goal: 25%

WBE Participation goal: 7%

##### **4.2 Bidder/Proposer's Commitment and Responsibility**

Each Bidder's commitment to the utilization of certified MBE and WBE firms shall be considered as further evidence of the responsibility of the Bidder/Proposer. Further, the Contractor agrees to use its best efforts to include certified MBE and WBE firms in any Contract modifications, amendments and renewals.

#### **SECTION 5: PROCEDURE TO DETERMINE BID & PROPOSAL COMPLIANCE**

- 5.1 The following documents constitute the Bidder/Proposer's MBE/WBE Compliance Plan and must be submitted with the bid or proposal:

##### **A. Schedule A: Affidavit of MBE/WBE Goal Implementation Plan**

Bidders/Proposers must submit, together with the bid/proposal, a completed Schedule A committing them to the utilization of each certified MBE/WBE firm listed.

Except in cases where the bidder/proposer has submitted a complete request for a waiver or variance of the MBE or WBE goals in accordance with Section 8 (below), the bidder/proposer must commit to the expenditure of an estimated percentage of their proposed contract value. Specific dollar amounts of participation by each certified MBE/WBE firm should also be included on the Schedule A as practicable.

Additionally, the total dollar commitments proposed for certified MBE firm(s) must at least equal the MBE goal, and the total dollar commitment to propose certified WBEs must at least equal the WBE goal.

All commitments made on the bidder/proposer's Schedule A must correspond with those presented on the Schedule C documents that are described below.

Additionally, a fully completed and executed Schedule A must be submitted with the bid/proposal when due. Failure to submit the completed Schedule A or a waiver request in accordance with this section will be cause for finding bid/proposal non-responsive and may result in rejection of bid/proposal.

**B. Schedule C: Letter of Intent**

A Schedule C [Schedule C-1 (MBE/WBE Bidder/Proposer or Schedule C-2 (Joint Venture Partner) as described herein] must be completed in its entirety and executed by each certified MBE and WBE firm listed on the Schedule A and submitted with the bid/proposal.

The Schedule C must accurately detail the work to be performed by the certified MBE or WBE firm at the agreed rates and prices to be paid. Additionally, the certified MBE and WBE firm's scope of work, as detailed on their Schedule C must conform to their area of specialty included in the certification letter as described below.

Additionally, all fully completed and executed Schedule Cs must be submitted with the bid/proposal when due. Failure to submit the completed Schedule C(s) in accordance with this section will be cause for finding bid/proposal non-responsive and may result in rejection of bid/proposal.

**C. Letters of Certification & Certification Determination**

A copy of each proposed MBE and WBE firm's current letter of certification must be submitted with the bid/proposal as a complement to the Schedule A and C. All letters of certification must include a statement of the certified MBE/WBE firm's area of specialty.

In order to be designated as a certified Minority Business Enterprise (MBE) or as a Women Business Enterprise (WBE) in City Colleges of Chicago contracting activity a firm must be verified as such by agencies known and accepted by CCC.

Specifically, the following agencies confer the designation and are accepted by the Office of Contract Compliance:

- 1) The City of Chicago;
- 2) Cook County;
- 3) The State of IL—CMS ;
- 4) National Minority Supplier Development Council and its regional affiliates including the Chicago Minority Supplier Development Council and
- 5) Women Business Enterprise National Council and its regional partner organizations including the Women's Business Development Center in Chicago and

Certifications will also be considered from conferring government agencies in other states and major metropolitan cities on a case by case basis.

**D. Schedule C-2 & Joint Venture Agreements**

If the bidder/proposer's MBE/WBE proposal includes the participation of certified MBE or WBE firms as a joint venture on any tier (either as the bidder/proposer or as a subcontractor), the bidder/proposer must provide a copy of the joint venture agreement, as a part of Schedule A submission.

In order to demonstrate the certified MBE or WBE partner's share in the ownership, control, management responsibilities, risks and profits of the joint venture, the MBE or WBE firm that is a party to the Joint Venture must complete the Schedule C-2.

Additionally, the joint venture agreement must complement the Schedule C-2 and include specific details related to: (1) contributions of capital and equipment (2) work responsibilities or other performance to be undertaken by the certified MBE/WBE firm; (3) the commitment of management, supervisory and operative personnel employed by the certified MBE/WBE to be dedicated to the performance of the contract. The joint venture agreement must also clearly define each partner's authority to contractually obligate the joint venture and each partner's authority to expend joint venture funds (e.g. check signing authority).

**5.2 Correct Completion of Schedules**

The MBE/WBE Compliance Plan must have all blank spaces on both of the Schedules applicable to the Contract correctly filled in.

Agreements between a Bidder/Proposer and a certified MBE and certified WBE in which the certified MBE/WBE promises not to provide subcontracting quotations to other Bidders/Proposers are prohibited.

### 5.3 **Deficient Compliance Plans**

Upon receipt of the Compliance Plan submitted with the bid/proposal, the Office of MBE/WBE Compliance will determine if the bid/proposal is responsive. A bid/proposal may be treated as non-responsive by reason of the determination that the Bidder/Proposer's response did not contain a sufficient level of certified MBE or WBE participation or an approved waiver request.

During the period between bid opening/proposal due date and contract award the MBE/WBE Plan will be evaluated by the Office of M/WBE Contract Compliance for the following:

- 1) MBE and WBE Performance of a commercially useful function
- 2) Analysis of industry standard for sub-contracting (if applicable)
- 3) Scope of services versus certification letter specialty area
- 4) Accurate levels of compliance
- 5) Due diligence efforts to support waiver request (if applicable)
- 6) Certification renewal status
- 7) MBE/WBE execution of Schedule C
- 8) Compliance history on previous contracts with CCC and its sister agencies

The Bidder/Proposer agrees to provide, upon request, earnest and prompt cooperation to the Office of M/WBE Contract Compliance in submitting to interviews that may be necessary, in allowing entry to places of business, in providing further documentation, or in soliciting the cooperation of a proposed certified MBE or WBE firm in providing such assistance.

Additionally, a bid/proposal may be treated as non-responsive by reason of the determination that the Bidder/Proposer was unresponsive or uncooperative when asked for further information relative to the bid/proposal, or that false statements were made in the Schedules.

## **SECTION 6: COUNTING MBE/WBE PARTICIPATION TOWARD CONTRACT GOALS**

- 6.1 Only certified MBE and WBE participation shall be counted toward the MBE and WBE goals set in this Contract and applied as follows:

### **A. Direct Participation**

An MBE or WBE firm should be used directly in the performance of the scope of services that the Bidder/Proposer is providing for the District. The MBE or WBE's total contract value can be credited towards the participation goals for direct participation.

**B. Indirect Participation**

In the event the Bidder/Proposer's specific scope of services does not provide an opportunity for direct subcontracting, the Bidder/Proposer must consider other ways to engage MBEs and WBEs to meet the contract participation goals.

The expenditures with MBE and WBE vendors that are being used in the Bidder/Proposer's overall business operations for goods or services that are ancillary to the CCC contract such as transportation, advertising, accounting, landscaping, office supply can be credited at 100%.

**C. Commercially Useful Function (CUF)**

A Bidder/Proposer may count toward its MBE and WBE goal only expenditures to certified firms that will perform a commercially useful function in the work of a contract. A firm is considered to perform a commercially useful function when it is responsible for a distinct element of work of a contract and carries out the responsibilities by actually performing, managing, and supervising the work involved using its own resources.

The Office of M/WBE Contract Compliance will use a variety of methods to determine whether or not an MBE or WBE is performing a CUF at any time (pre-award, during contract execution and/or during the contract close-out phase) including but not limited to:

- 1) Project site visits;
- 2) Documentation requests and/or
- 3) Interviews with MBE or WBE owners or employees

**D. MBE/WBE Subletting**

Consistent with normal industry practices, a certified MBE or WBE subcontractor may enter into further subcontracts. If a certified MBE/WBE contractor subcontracts a significantly greater portion of the work of the contract than would be expected on the basis of normal industry practices, the certified MBE or WBE shall be presumed not to be performing a commercially useful function. Evidence may be presented, in writing, to the Office of M/WBE Contract Compliance by the contractors involved to rebut this presumption.

**E. Counting MBE/WBE Manufacturers**

A Contractor may count toward its goals expenditures to certified MBE or WBE manufacturers (i.e., suppliers that produce goods from raw materials or substantially alters them before resale) at 100%.

**F. Counting MBE/WBE Suppliers**

A Contractor may count 100% of its expenditures with certified MBE or WBE suppliers toward its compliance goals provided that the supplier performs a commercially useful function in the supply chain process and is a regular dealer.

**G. Counting Total Dollar Value Awarded To Certified MBEs/WBEs**

The total dollar value of contract awarded to a certified MBE or WBE firm shall only be credited to one of the respective certification statuses. The Contractor employing the certified firm may choose the goal to which the contract value is applied—either MBE or WBE; not both.

Work done by one and the same subcontractor shall be considered, for the purpose of this principle, as work effectively under one subcontract only, in which the subcontractor may be counted toward only one of the goals, but not toward both.

**H. MBE/WBE Controlled Firms**

If the Bidder or Proposer is a certified MBE most of the total contract value can be counted toward the fulfillment of the MBE goal and similarly, if a WBE is the Bidder or Proposer, most of the total contract value can be counted toward the fulfillment of the WBE goal. However, MBE Bidders/Proposers must obtain a certified WBE subcontractor and a WBE Bidder/Proposer must obtain a certified MBE subcontractor to meet the respective goals.

Additionally, if a firm is certified as both an MBE and WBE, they can only use one of the certification statuses to fulfill one of the goals; not both.

MBE and WBE Bidder/Proposers must submit a Schedule C-1 which outlines their intent to subcontract any portion of their work they do not plan to self-perform.

Moreover, an MBE or WBE Bidder/Proposer must submit a Schedule A, Schedule C(s) for MBE or WBE subcontractors, and certification letters for themselves and any other MBE or WBE they may be utilizing on the contract.

**I. Counting Total Dollar Value of Eligible Joint Ventures**

A Contractor may count toward its MBE or WBE goal the portion of the total dollar value of a contract with an eligible joint venture equal to the percentage of the ownership and control of the MBE or WBE partner in the joint venture. A joint venture seeking to be credited for MBE participation may be formed among certified MBE and WBE firms, or between certified MBE and WBE firms and a non-MBE/WBE firm. A joint venture satisfies the eligibility standards of this Plan if the certified MBE or WBE participant of the joint venture:

1. Shares in the ownership, control, management responsibilities, risks and profits of the joint venture; and
2. Is responsible for a clearly defined portion of work to be performed in proportion to the certified MBE or WBE ownership percentage.

**A Schedule C-2 and Joint Venture agreement must be submitted to support utilizing an MBE or WBE as a Joint-Venture participant.**

- 6.2 A Contractor may count toward its MBE/WBE goal the following expenditures to certified firms that are not manufacturers or regular dealers:

**A. Fees or Commissions For Providing Services**

The fees or commissions charged for providing a bona fide service, such as professional, technical, consultant or managerial services and assistance in the procurement of essential personnel, facilities, equipment, materials or supplies required for performance of the contract, provided that the fee or commission is determined by the Office of M/WBE Contract Compliance to be reasonable and not excessive as compared with fees customarily allowed for similar services.

**B. Fees For Delivering Materials and Supplies**

The fees charged for delivery of materials and supplies required on a job site (but not the cost of the materials and supplies themselves) when the hauler, trucker, or delivery service is not also the manufacturer of or a regular dealer in the materials and supplies, provided that the fee is determined by the Office of M/WBE Contract Compliance to be reasonable and not excessive as compared with fees customarily allowed for similar services.

**C. Fees or Commissions For Bonds or Insurance**

The fees or commissions charged for providing any bonds or insurance specifically required for the performance of the contract, provided that the fee or commission is determined by the Office of M/WBE Contract Compliance to be reasonable and not excessive as compared with fees customarily allowed for similar services.

**SECTION 7: CHANGES TO MBE/WBE PARTICIPATION PLAN**

**7.1 Termination of Scope of Work Not Permitted**

After submitting executed MBE and/or WBE sub-agreements to the Office of M/WBE Contract Compliance, the Contractor shall thereafter neither terminate the sub-agreement, nor reduce the scope of the work to be performed by the certified MBE or WBE firm, nor decrease the price to the MBE or WBE firm, without in each instance receiving the prior written approval of the Office of M/WBE Contract Compliance.

## 7.2 **Substitutions**

If it becomes necessary to substitute an MBE and/or WBE to fulfill the Contractor's MBE and/or WBE commitments, the Office of M/WBE Contract Compliance must be given reasons justifying the release of prior specific MBE and/or WBE commitments established in the Contractor's bid/proposal in order to review the propriety of the proposed substitution.

A substitution of MBE or WBE firms cannot be made without prior approval from the Office of MBE/WBE Compliance. In addition to the explanation provide above, the approval process must include a revised Schedule A, a Schedule C for the replacement firm(s) and current certification letter(s).

The approval process should also include concurrence from the affected MBE or WBE received either proactively from the Prime Vendor or by the Office of MBE/WBE Compliance.

## **SECTION 8: WAIVERS of MBE and WBE GOALS**

### 8.1 **Inability to Meet Participation Goals**

If a Bidder/Proposer is unable to identify certified MBE and WBE firms to perform sufficient work to fulfill the MBE or WBE percentage goals for a contract, the bid/proposal must include a Schedule D (written request for waiver).

Submission of the Schedule D is not an automatic approval of the requested waiver. The approval of the requested waiver will be based, in part by the supporting documentation demonstrating the Bidder/Proposer's inability to obtain sufficient certified MBE and WBE firms, notwithstanding good faith attempts to achieve such participation.

Examples of such good faith efforts may include, but are not limited to, the following:

- a) Attendance at the Pre-bid/proposal conference.
- b) The Bidder/Proposer's general affirmative action policies regarding the utilization of MBE and WBE firms, plus a description of the methods used to carry out those policies.
- c) Advertisement in trade association newsletters and minority-oriented and general circulation media for specific sub-bids/proposals.
- d) Timely notification of specific sub-bids/proposals to minority and women assistance agencies and associations.

- e) Description of direct negotiations with certified MBE and WBE firms for specific sub-bids/proposals, including:
- f) the name, address and telephone number of the certified MBE and WBE firms contacted;
- g) a description of the information provided to certified MBE and WBE firms regarding the portions of the work to be performed; and
- h) the reasons why additional certified MBE and WBE firms were not obtained in spite of negotiations.
- i) A statement of the efforts made to select portions of the work proposed to be performed by certified MBE and WBE firms (such as sub-supplier, transport, engineering, distribution, or any other roles contributing to production and delivery as specified in the Contract) in order to increase the likelihood of achieving such participation.
- j) A detailed statement of the reasons for the Bidder/Proposer's conclusion that each certified MBE and WBE contacted, were not qualified.
- k) Efforts made by the Bidder/Proposer to expand its search for certified MBE and/or WBE firms beyond usual geographic boundaries.
- l) General efforts made to assist MBE and WBE firms to overcome participation barriers.

## 8.2 **Unacceptable Basis for Waiver Request**

If the bidder/proposer does not meet the MBE/WBE goal, price alone shall not be an acceptable basis for which the bidder may reject a certified MBE/WBE sub-bid/proposal unless the bidder can show to the satisfaction of the Office of M/WBE Contract Compliance that no reasonable price can be obtained from a certified MBE/WBE.

A determination of reasonable price is based on such factors as the estimate for the work under a specific subcontract, the bidder's own estimate for the specific subcontract, and the average of the bona fide prices quoted for the specific subcontract. A bid from a certified MBE/WBE for a subcontract will be presumed to be unreasonable if the MBE/WBE price exceeds the average price quoted by more than 15 percent.

### **8.3 Subsequent Waiver by Request of Contractor**

During the performance of a contract, a contractor may request a partial waiver from compliance with its original MBE or WBE proposal for the following reasons:

- a) Due to substantially changed circumstances the contractor is unable to meet the previously stated MBE or WBE goal(s);
- b) Despite every good faith effort on the part of the contractor, it is unable to meet the previously stated MBE or WBE goal(s)

### **8.4 Waiver Initiated by City Colleges of Chicago**

The Chancellor or their designee may grant a waiver from MBE or WBE requirements for an individual contract upon a determination that there are insufficient certified MBEs or WBEs available to fulfill such requirements for that particular contract.

A determination by the Chancellor to waive MBE or WBE requirements for an individual contract must be stated in writing, and placed in the appropriate project file.

## **SECTION 9: REPORTING AND RECORD-KEEPING REQUIREMENTS**

### **9.1 Execution of Subcontract By Contractor**

The Contractor, within five (5) working days after Contract award, shall execute a formal subcontract or purchase order in compliance with the terms of the Contractor's bid/proposal and MBE and WBE assurances and should be submitted to the Office of MBE/WBE Compliance within three (3) business days if requested by the Office of MBE/WBE Compliance.

In addition, each subcontract between the Bidder/Proposers and any certified MBE or WBE firm performing work on the Contract shall include remedies for non-compliance with the commitment to MBE and WBE participation, including an agreement to pay damages to the certified MBE and WBE firms which were underutilized.

### **9.2 Payments to MBE and WBES**

During the performance of the Contract, the Contractor shall file regular MBE and WBE payment reports, on the form entitled "Monthly and Quarterly Report of Payments to MBE and WBE Subcontractors."

Additionally, invoices and/or other documentation must be submitted to the Office of MBE/WBE Compliance within five (5) days upon request to support the utilization of MBEs and WBES.

### **9.3 Maintenance of Relevant Records**

The Contractor shall maintain records of all relevant data with respect to the utilization of certified MBE and WBE firms, including without limitation payroll records, tax returns and records, and book of accounts, and retain such records for a period of at least three (3) years after final acceptance of the work. Full access to such records shall be granted to the Office of M/WBE Contract Compliance or its designee, on five (5) business days' notice in order to determine the Contractor's compliance with its MBE and WBE commitments and the status of any certified MBE or WBE firm performing any portion of the Contract.

## **SECTION 10: NON-COMPLIANCE WITH MBE and WBE PARTICIPATION GOALS**

### **10.1 Compliance Audits**

Whenever the Office of M/WBE Contract Compliance believes that the contractor or any of its subcontractors may not be operating in compliance with this Plan, it shall conduct an appropriate investigation.

### **10.2 Notification regarding Non-compliance**

Upon indications of inadequate compliance or non-compliance, the Office of M/WBE Contract Compliance will notify the contractor and the subcontractor, in writing.

The Office of M/WBE Contract Compliance, the contractor or subcontractor may request an opportunity to meet to discuss MBE/WBE contract compliance. The contractor or subcontractor shall make such request to the Office of M/WBE Contract Compliance in writing within five (5) working days of receiving notice. The meeting shall be scheduled by the Office of M/WBE Contract Compliance at a reasonable date, time and place, with notice to contractor and subcontractor.

### **10.3 Determination of non-compliance**

If after notification and subsequent discussions, the Office of M/WBE Contract Compliance determines that a contractor is not meeting or has not met applicable MBE or WBE goals and is not demonstrating or has not demonstrated every good faith to meet the goals, the contractor shall be subject to suitable sanctions as set forth in paragraph 10.3 A (Sanctions) below.

### **10.4 MBE and WBE Remedies For Prime Vendor Non-Compliance**

The unexcused reduction of certified MBE or WBE participation in connection with the Contract including any modification thereof, shall entitle the affected certified MBE and WBE firms to payments pursuant to such agreement. Such provisions shall include an undertaking by the Contractor to submit any dispute concerning such damages to binding arbitration by an independent arbitrator, other than the City Colleges of Chicago, with reasonable expenses, including attorneys' fees, being

recoverable by a prevailing certified MBE or WBE. Nothing herein shall be construed to limit the rights of and remedies available to the City Colleges of Chicago.

## **10.5 Sanctions for Non-compliance**

### **A. Terms and Conditions of Plan Applying To All Contracts**

The MBE/WBE requirements of these Terms and Conditions shall be incorporated into all of the contracts between City Colleges and its vendors. In addition to any other remedies City Colleges may have, the following apply:

Where the Office of M/WBE Contract Compliance determines the conditions set forth in Section 10.3 above to exist during the term of the contract, the Office of M/WBE Contract Compliance may recommend that the Board suspend or terminate the contract, in whole or in part, and may also declare the contractor ineligible for future contracts for a period of two (2) years.

The Contractor shall be liable to the City Colleges for any consequential damages incurred as a result of suspension or termination of the contract including damages arising either from delay or increased price in securing performance of the work by other contractors, attorney's fees and court cost.

Where the Office of M/WBE Contract Compliance determines the conditions set forth in paragraph 10.3 above to exist at the conclusion of a contract, the Office of M/WBE Contract Compliance may declare the contractor ineligible for future contracts for a period of two (2) years.

If a Contractor has provided false or misleading information in connection with certification, bid or proposal documents, compliance progress reports, or any other aspect of this Plan, the Office of M/WBE Contract Compliance may impose any of the sanction described in paragraph 10.5 (Sanctions) and all its subsections.

If there is a bona fide payment dispute between a Contractor and its certified M/WBE subcontractor for work performed under the Plan, the City Colleges may withhold payment of the disputed amount from the Contractor and place such funds in an interest bearing account pending resolution of the dispute, by judicial or other means.

### **B. Contractor's Right To Appeal Decision**

A contractor shall have the right to appeal a decision from the Office of M/WBE Contract Compliance declaring it ineligible for future City College contracts. Such appeal shall be made to the Chancellor or his/her designee.

**C. Sanctions Available To The City Colleges of Chicago**

The failure of City Colleges to impose any sanction it may have under this Section shall not be deemed a waiver of its right to impose such a sanction for subsequent violations. The listing of sanctions available to City Colleges in paragraph 10.5 A shall not be deemed to exclude any other sanctions or remedies available at law or in equity.

**NOTE:** The bidder/proposer shall, in determining the manner of MBE/WBE participation, must first consider involvement with MBE/WBE firms as joint venture partners, direct subcontractors, and suppliers of goods and services directly related to the performance of this contract. A service not directly related to the scope of services, but utilized during the bidder/proposer's normal course of business is considered indirect.

Additionally, all MBE/WBE firms included in this plan must be currently certified as such by at least one of the following agencies acknowledged by the City Colleges of Chicago (City of Chicago, Cook County, State of IL, Chicago Minority Supplier Development Council and regional affiliates and/or the Women's Business Development Center and its regional affiliates).

# **ETHICS ORIENTATION CONTRACTORS/VENDORS**

## **CITY COLLEGES OF CHICAGO ETHICS ORIENTATION CONTRACTORS/VENDORS**

### **INTRODUCTION/GENERAL PRINCIPLES**

As a City Colleges of Chicago (CCC) vendor/contract worker you are subject to the City Colleges of Chicago Ethics Policy. The purpose of this policy is to promote public confidence in the integrity of CCC by establishing consistent standards for the conduct of CCC business by Board members and employees.

The CCC Ethics Policy applies to full-time, part-time, temporary and seasonal employees, as well as to appointees to the Board of Trustees and contract workers.

As a CCC vendor/contract worker, you are expected to work on behalf of CCC in a manner that always complies with laws, rules, regulations and policies. By doing so and by always acting with honesty and integrity you are allowing established values to guide your actions and decisions. That is what it means to follow the principles of ethics.

The information that follows is intended to make you aware of selected elements of the CCC Ethics Policy and other laws and rules that relate to ethical conduct. If you have questions you may contact the CCC Procurement Office.

### **ETHICS OFFICER**

The City Colleges Ethics Officer is designated by the Chancellor to provide guidance to the officials and employees of the District concerning the interpretation and compliance with the provisions of the City Colleges of Chicago Ethics Policy. The Ethics Officer shall also perform such other duties as may be delegated by the City Colleges of Chicago Board.

### **ANNUAL ETHICS TRAINING**

All CCC employees are required to complete at least annually an ethics training program conducted by the City Colleges of Chicago. This requirement applies to any person employed full-time, part-time, or pursuant to a contract, as well as to any appointee – i.e. Board members. The ethics training reflects aspects of the City Colleges of Chicago Ethics Policy. The City Colleges Ethics Training Administrator will notify you and provide instructions to you concerning when and how to participate in the annual ethics training.

## **EXCERPTS FROM CCC ETHICS POLICY**

### **GIFT BAN**

In many instances, it is unlawful for a CCC employee to accept gifts that are offered in connection with his or her job. An employee cannot solicit or accept a gift from certain individuals or entities that are defined by law as a "prohibited source." Current vendors, as well as vendors interested in doing work for CCC are considered prohibited sources.

As a contractor or vendor doing business with the City Colleges of Chicago you are required to comply with the Gift Ban prohibition of the CCC Ethics Policy. Under the Gift Ban Section of the Policy (Section 1aa) current vendors, as well as vendors interested in doing work for CCC are considered prohibited sources and thereby precluded from providing gifts to CCC employees except as provided in the CCC Policy at Section 4-2(a-1). If you are in doubt about a gift, contact your Ethics Officer and read the City Colleges of Chicago Ethics Policy on Gift Ban. The City Colleges of Chicago Ethics Policy can be found at [www.ccc.edu/departments/pages/ethics.aspx](http://www.ccc.edu/departments/pages/ethics.aspx).

### **FIDUCIARY RESPONSIBILITY**

All vendor/contract workers, Board members and student officers of the District owe fiduciary responsibility to the Board, District and residents of the District. Fiduciary responsibility is defined as a relationship imposed by law where someone has voluntarily agreed to act in the capacity of a "caretaker" of another's rights, assets and/or well being. The fiduciary owes an obligation to carry out the responsibilities with the utmost degree of "good faith, honesty, integrity, loyalty and undivided service of the beneficiaries' interest."

### **USE OF DISTRICT PROPERTY**

CCC full-time, part-time, temporary and seasonal employees, as well as appointees to the Board of Trustees and contract workers shall not engage in or permit unauthorized use of District property.

The Company will adhere to any and all reporting and other requirements as set forth in the Board’s **Minority and Women Business Enterprise Contract Participation Plan, including but not limited to the Company’s response to Schedule A of the plan on file with the Office of Procurement Services.** The Plan can be found at <http://www.ccc.edu/services/Pages/Become-a-Vendor.aspx> Failure to comply with this provision constitutes a material breach of this Agreement and may result in termination of the Agreement and other remedies.

**8. Representations and Warranties.**

- 9. **Indemnity.** Notwithstanding any other terms and conditions in this Agreement, including any obligations regarding insurance coverage, Company agrees to defend, indemnify, save and hold harmless fully the Institution, its Board of Trustees, agents, officers, students, volunteers, contractors and employees against any and all claims, suits or judgments, costs or expenses, including attorney's reasonable fees, (collectively "Loss") in connection with this Agreement. This indemnification obligation does not extend to that portion of a Loss caused by Institution's negligence, as determined by a court of competent jurisdiction in a final, non-appealable judicial order.

- 10. **Insurance.** Throughout the Term, Company, at its own expense, shall provide and maintain the following insurance coverage:

- a. **Workers Compensation and Employers Liability.** Workers Compensation as prescribed by applicable law, covering all employees who are providing the Services and Employer's Liability coverage with limits of not less than \$1,000,000.00 each accident or illness; and
- b. **Commercial General Liability.** Commercial General Liability Insurance or equivalent with limits of not less than \$5,000,000.00 per occurrence, for bodily injury, personal injury, and property damage liability. Coverage shall include the following: All premises and operations, products/completed operations, separation of insured, defense, and contractual liability (with no limitation endorsement); and
- c. **Automobile Liability.** When any motor vehicles (owned, non-owned and hired) are used in connection with work to be performed, the Company shall provide Comprehensive Automobile Liability Insurance with limits of not less than \$1,000,000.00 per occurrence, for bodily injury and property damage; and

- d. **Fidelity, EPLI and Professional Liability (E&O).** Professional liability insurance covering errors, omissions or negligent acts must be maintained with limits of not less than \$1,000,000.00. Coverage must include contractual liability. When policies are renewed or replaced, the policy retroactive date must coincide with, or precede, start of work on this Agreement. A claims-made policy, which is not renewed or replaced, must have an extended reporting period of two (2) years.

Prior to the execution of this Agreement, Company shall furnish the Institution with original insurance certificates evidencing the required coverage. Except with respect to Worker's Compensation and Employers Liability, all insurance certificates shall name the Board of Trustees of Community College District No. 508, County of Cook and State of Illinois, and its officers, directors, agents, students, employees, contractors and volunteers as additional insured on a primary, non-contributory basis. Institution's failure to obtain certificates or other insurance evidence from Company shall not be deemed a waiver of this provision by the Institution. This Agreement, at Institution's sole discretion, may be terminated if Company fails to comply with this provision. All insurance policies required hereunder shall include a provision which requires the Institution to receive thirty (30) days prior written notice before coverage is substantially changed, cancelled or non-renewed. Any insurance or self-insurance programs maintained by Institution shall apply in excess of and not contribute with insurance provided by Company.

## 11. **Termination/Remedies.**

- a. **Termination for Convenience.** Notwithstanding Section 11(b) below, the Institution may terminate this Agreement, or any portion of the Services, at any time, upon thirty (30) days prior written notice to Company. If this Agreement is terminated by the Institution under this Section 11, Company shall immediately deliver to the Institution all finished or unfinished materials, documents, data, studies and reports prepared by it or under its direction in connection with the Services. The Institution will pay Company for the portion of the Services satisfactorily performed by Company in those amounts accrued but not yet paid prior to the effective date of termination. Such payment to the Company shall be in full settlement for all Services.
- b. **Termination for Default.** Subject to Section 11(a) herein, this Agreement may also be terminated for default. Each of the following shall constitute an event of default by Company ("Default").
- i. Any material misrepresentation, whether in the inducement or in the performance, made by the Company to the Institution; and
  - ii. A breach of a representation or warranty contained in this Agreement; and
  - iii. The insolvency, bankruptcy or committing of any act of bankruptcy or insolvency, or making an assignment for the benefit of creditors; and
  - iv. Failure to comply with or perform any material provision of this Agreement; and

- v. Failure or refusal to provide enough properly skilled personnel, adequate supervision, or adequate materials and equipment of the proper quality to perform the Services; and
- vi. Causing, by any action or omission, the stoppage, delay of, or interference with, the work of any other Company or sub-consultant.

If a court of competent jurisdiction rules that termination of this Agreement by the Institution for default of Company was wrongful, then the termination shall be deemed to have been a termination for convenience.

- c. **Curable and Incurable Defaults.** Time-sensitive defaults (e.g., failure to meet deadlines) are not curable unless the Institution, in its sole and absolute discretion, extends the deadline. Such extension, however, does not relieve Company of liability for any damages the Institution may suffer. Company shall cure any default that is not time-sensitive with ten (10) calendar days after Company is given notice of the default.
- d. **Remedies.** In addition to any other remedies contained herein, the Institution may invoke any or all of the following remedies for a Default:
  - i. Complete the Services at Company's expense, either directly or through the use of contractors and subcontractors; or
  - ii. Receive a refund or withhold all or any portion of the Fee; or
  - iii. Demand specific performance, an injunction or any other appropriate equitable remedy; or
  - iv. Terminate this Agreement.
- e. **Right to Offset.** All costs incurred by the Institution due to: (i) termination of this Agreement for default; or (ii) Company's performance of the Services; or (iii) Institution's exercise of any of the remedies available herein, may be offset by: (i) any credits due to or overpayments made by the Institution; or (ii) any payments due to Company for Services completed. If such amount offset is insufficient to cover those excess costs, Company shall be liable for and promptly remit to the Institution the balance upon written demand. This right to offset is in addition to and not a limitation on any other remedies available to the Institution.

No remedy hereunder is exclusive of any other remedy, but each remedy shall be cumulative and in addition to any other remedies at law, in equity or by statute existing now or hereafter. No delay or omission to exercise any right or power accruing upon any Default shall impair any such right or power nor shall it be construed to be a waiver of any Default or acquiescence therein, and every such right and power may be exercised periodically and as often as may be deemed expedient. If the Institution considers it to be in the Institution's best interest, it may choose not to declare a default or terminate the Agreement. The parties acknowledge that this provision is solely for the benefit of the

Institution and that if the Institution permits Company to continue providing Services despite one or more events of default, the Company is in no way relieved of any of its duties and obligations under the Agreement and the Institution does not waive or relinquish any of its rights.

**12. Additional Provisions.** The parties further agree to the following provisions:

- a. **Cooperation with Successors.** If this Agreement expires or is terminated for any reason, Company shall use its best efforts to assure an orderly transition to Institution and to the successor consultant, if any. Company must make an orderly demobilization of its own operations, provide the Services uninterrupted until the effective day of such termination or expiration, and otherwise comply with the reasonable requests and requirements of the Institution in connection with the termination or expiration.
- b. **Notices.** All notices hereunder shall be in writing and either (i) delivered personally; or (ii) sent by nationally recognized express courier; or (iii) sent by certified mail (return receipt requested). Any such notice will be deemed given when actually received and addressed as follows:

- d. **No Damages for Delay.** During the Term, Company is not entitled to and must make no charges or claims for damages for any delays or hindrances from any cause in connection with the Services. If Company's performance of the Services is delayed by causes beyond Company's reasonable control, at the Institution's sole

option, the Institution may either terminate this Agreement or extend the time to complete the Services to reflect the extent of the delay (if extension is feasible given the project deadlines and the expectations of public performance), provided the Company has given the Institution written notice within ten days after delay begins. The notice by the Company must include a description of the reasons for the delay and the steps Company has taken or will take to mitigate the effects of the delay.

- e. **Names/Logos.** Institution owns all rights to the name City Colleges of Chicago and its individual colleges and to certain logos, servicemarks, trademarks and likenesses (“Marks”). Such action shall include, but not be limited to the following: employment, upgrading, demotion or transfer; recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training; including apprenticeship. Company agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this non-discrimination clause. Company further agrees that this clause will be incorporated in all contracts entered into with suppliers of materials or services, contractors, and subcontractors and all labor organizations, furnishing skilled, unskilled and craft union skill labor, or who may perform any labor or services in connection with this Agreement.
- h. **Compliance with Laws.** During the Term, Company, at its sole expense, shall observe and comply with all federal, state and local laws, rules, ordinances and regulations related to this Agreement, including, but not limited, to the Illinois Public Community College Act and the Rules for the Management & Government of the City Colleges of Chicago. Company shall also be responsible for compliance with the City Colleges of Chicago Debarment Policy. Company shall indemnify the Institution for all losses and expenses, including reasonable attorneys fees resulting from failure to comply with this provision, including, but not limited to, any fines, penalties, or corrective measures.
- i. **Amendments/Changes.** No modification or amendments to this Agreement shall be effective unless such amendment is in writing and signed by both parties hereto.

- j. **Ethics Policy.** Company agrees to comply with the Institution's Ethics Policy and with any amendments adopted thereafter. A copy of the Institution's Ethics Policy can be found at [www.ccc.edu](http://www.ccc.edu).
- k. **Inspector General.** It shall be the duty of each party to the agreement to cooperate with the Inspector General for City Colleges of Chicago in any investigation conducted pursuant to the Inspector General's authority under Article 2, Section 2.7.4(b) of the Board Bylaws.
- l. **Independent Contractor.** Company is an independent contractor and not the agent, partner or employee of the Institution. Company shall not have the authority to enter into any contract or agreement to bind Institution, and shall not represent to anyone that Company has such authority.
- m. **Assignment and Delegation.** Company shall not subcontract, assign, or otherwise transfer all or any portion of this Agreement, nor delegate its duties or obligations hereunder without the Institution's prior written consent.
- n. **Survival.** Upon the expiration or termination of this Agreement, those provisions that would by their nature survive this Agreement will so survive.
- o. **Third Party Beneficiaries.** Nothing contained in this Agreement is intended to confer upon any person (other than the parties hereto, the Institution Indemnified Parties and the Company Indemnified Parties) any rights, benefits or remedies of any kind or character whatsoever, and no person will be deemed a third-party beneficiary under or by reason of this Agreement.
- p. **Force Majeure.** Neither party will have any liability to the other for any failure or delay in performing any obligation under this Agreement due to acts of God or nature, fires, floods, strikes, civil disturbances, terrorism, or power, communications, satellite or network failures (individually and collectively "Force Majeure Event"). Either party upon prior written notice may terminate this Agreement if such Force Majeure Event continues for more than ten-(10) calendar days.
- q. **Severability.** The terms of this Agreement are severable and if a court of competent jurisdiction declares any term or provision illegal, void or unenforceable, the remainder of the provisions hereunder shall remain valid and enforceable to the maximum extent permissible.
- r. **Counterparts.** This Agreement may be executed in two (2) or more counterparts, each of which will be deemed to be an original, but all of which together will constitute one binding agreement.
