Announcement of a Sole Source Purchase

First published Wednesday, May 18, 2022

City Colleges of Chicago intends to award a contract to The Institute for Evidence Based Change to enhance student learning and retention while engaging faculty to create a caring campus culture using a research-based behavioral methodology.

City Colleges has determined that this purchase is only economically available from The Institute of Evidence Based Change because IBEC is the only provider of this proprietary process that is designed to support faculty and staff in implementing specific behavioral commitments college-wide. IEBC's proprietary program of student connection to college is correlated with improved student success and completion.
