The sale of the Products and Services identified in this quotation is subject to CAE Healthcare's Education Products General Terms and Conditions and its related End-User License; if an option for Maintenance Services is offered and accepted, it is subject to CAE Healthcare's Support and Maintenance Terms and Conditions; if an option for Training is offered and accepted, it is subject to CAE Healthcare's Training Policy, all of the above being and available on the CAE Healthcare website at [www.caehealthcare.com](http://www.caehealthcare.com)

In the event of the sale of a LearningSpace System, Customer will be required to sign CAE Healthcare's LearningSpace Agreement before any order is accepted by CAE Healthcare. The LearningSpace Agreement will be provided to Customer directly.

All sales are final. Any Training must be scheduled and completed within nine (9) months of the date in which any associated simulator is received by the customer or purchased installation is completed.

CAE Healthcare will normally ship all products ordered within a single shipment. If this is not possible due to inventory demands, CAE Healthcare may elect to ship Products as partial shipments. If such partial shipment is not acceptable, please indicate to CAE Healthcare when placing your order. CAE Healthcare will, unless otherwise stated within the purchase order, ship all product within 90 days of receipt of the purchase order.
