

**Announcement of a Sole Source Purchase**

First published Friday, September 30, 2022

City Colleges of Chicago intends to award a contract to Derute Consulting Cooperative to provide race conscious continuous improvement efforts, practice-based professional development experience, pilot locally-generated strategies for improvement and evaluate the impact of their newly adopted strategies on student learning experiences and outcomes.

City Colleges has determined that this purchase is only economically available from Derute Consulting Cooperative because as academic faculty, they will be able to share their own evolution of their practices and be able to better relate to MXC faculty to help them better understand their classroom practices. The consulting team reside in Chicago and the Milwaukee area and are acutely aware of the challenges and juxtapositions of serving as academic faculty member in higher education.
