Addendum Item No. 1

Questions, Responses and Clarification of Information

1. Section 4.02 where it states "All quoted prices are to be F.O.B. Destination, including packing and inside delivery to." Is the college asking for rigging services?

No rigging is required only shipping.

2. Referring to the product pricing matrix, I will create quote very similar to that however it will not be identical. I believe that is referring to old part numbers and items from our previous package.

Please update the part numbers to its latest ID.
