VOICE & DATA CABLING INSTALLATION -- ADDITIONAL COSTS  
DAWSON TECHNICAL INSTITUTE  
KENNEDY-KING COLLEGE  
[Amend Board Report #20028 dated 7-3-97]

THE CHANCELLOR

REPORTS

that in Board Report #20228 dated 7-3-97, the Board approved the installation of fiber optic and data cabling at Dawson Technical Institute of Kennedy-King College and awarded the project to Connectivity Systems in the amount of \$140,653.00; and

that upon testing existing data wiring locations, the contractor found 26 locations in the building that failed and will require the installation of new data cabling; and

that the specifications called for the bidder to submit a unit price for the installation of any new data cabling which was not part of the existing proposal; and

that Connectivity Systems submitted an installation price for these 26 locations of \$5,850.00 or 4.15% of the original contract; and

that OIT staff has reviewed these costs and find them reasonable and acceptable.

THE CHANCELLOR

RECOMMENDS

that the Board of Trustees approves the issuance of an addendum of \$5,850.00 to the original purchase order bringing the total purchase order to \$146,503.00 to Connectivity Systems, 841 Busse Road, Elk Grove Village, for the above-described additional cabling work to be performed at Dawson Technical Institute in accordance with the specifications dated May 5, 1997.

FINANCIAL

\$5,850.00 -- PBCC R & R Fund
