**ADOPTED**  
BOARD OF TRUSTEES OF  
COMMUNITY COLLEGE DISTRICT NO. 508

BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508  
County of Cook and State of Illinois

**FEB 5, 1998**

**COUNTY OF COOK  
AND STATE OF ILLINOIS**

COMPUTERIZED TIME KEEPING SYSTEM  
TECHNICAL CENTER  
TRUMAN COLLEGE

THE CHANCELLOR

REPORTS

that it is necessary to purchase a new time keeping system to replace an obsolete system that has been inoperative for several months; and

that the recommended system will provide electronic record keeping of student hours in the Cosmetology, Automotive Mechanic and Major Home Appliance programs in the Technical Center, which is required to complete training for licensing requirements; and

that Midwest Time Recorder, Inc. is the sole source provider of the recommended system and associated software, and has provided the necessary documentation; and this system is compatible with an identification system which is being considered for districtwide implementation at a future date; and

that Midwest can provide the necessary system, including Tru-Time software and the data collection terminal hardware, at a total cost of \$5,985.00; and

that this purchase is exempt from competitive bidding and M/WBE requirements.

THE CHANCELLOR

RECOMMENDS

that the Board of Trustees approves the issuance of a purchase order in the total amount of \$5,985.00 to Midwest Time Recorder, Inc., Berwyn, Illinois, for the electronic time keeping system for the Technical Center at Truman College.

FINANCIAL

\$5,985.00 -- Carl D. Perkins Grant Fund

Respectfully submitted,

Ronald J. Temple  
Chancellor
