ECONOMIC DEVELOPMENT SYMPOSIUM
DALEY COLLEGE

THE CHANCELLOR

REPORTS

that Daley College co-sponsored the 1998 Economic Development Symposium, "Chicago's Industrial Future: On the Right Track for the 21st Century;" and

that other sponsors included: Peoples Energy Corporation, the City of Chicago Department of Planning and Development, Argonne National Laboratory, Chicago Association of Neighborhood Development Organizations, Chicago Economic Development Commission, Chicagoland Chamber of Commerce, and Community Economic Development Organizations; and

that work force quality, education and training were among the topics covered by Dr. Ted Martinez, Jr. during the symposium; and

that by participating in the symposium, Daley College informed business and industry leaders of the role that the College plays in economic and workforce development in the Chicagoland area.

Respectfully submitted:

Ronald J. Temple
Chancellor
