ALSP FAIR
WRIGHT COLLEGE - SOUTH CAMPUS

THE CHANCELLOR

REPORTS

that the ALSP program at Wright South held its First Annual Internal College Fair on November 19 & 20, 1997 to make ESL and GED students aware of the outstanding educational and vocational training programs at Wright College-North, Wright College-South and the Humboldt Park Vocational Education Center; and

that over 500 students attended and 25 departments and/or programs were represented by faculty and staff from the three campuses; and

that the goal of helping prospective students identify paths of study and career options should have a positive impact in bridging Wright College students from ALSP into credit and vocational programs.

Respectfully submitted:
