BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508  
County of Cook and State of Illinois

YEAR 2000 INFORMATION TECHNOLOGY CONFERENCE  
MALCOLM X COLLEGE

THE CHANCELLOR

REPORTS

that Malcolm X College, Division of Continuing Education, presented a one day conference on information technology entitled "Reaching for The Future: Options and Employment Opportunities in Information Technology", on Saturday, June 13, 1998. Dr. Nathaniel Felder, Executive Director, Office of Information Technology and Collegis, Inc. was the keynote speaker; and

that the following workshops were presented:

- Technology in the Workplace - Charles McCleanon, Assistant Dean, Information Technology
- Required Skills for Entry-Level Workers - Robert Kelly, Director, Career Planning & Placement
- A+ Certification: Becoming a Computer Repair Technician - Patricia Kroll, Computer Instructor
- Desktop Publishing - A demonstration in desktop publishing - William Stewart, Coordinator, Materials Management
- Starting Your Own Information Technology Business - Pierre Clark, Founder/Director, Neighborhood Technology Access Council; and

that the objectives of the Conference were met: informing community members of various career opportunities in computer technology for properly trained individuals, and identifying resources and training available for persons to acquire the necessary skills and knowledge for a career in Information Technology.

Respectfully submitted,

Wayne D. Watson  
Chancellor
