BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508
County of Cook and State of Illinois

INSTITUTE FOR CONTINUING EDUCATION IN SOCIAL WORK
WASHINGTON COLLEGE

THE CHANCELLOR

REPORTS

that on Friday and Saturday, June 12 and 13, 1998, the Applied Science Department of Harold Washington College, in conjunction with the Illinois chapter of the National Association of Social Workers (NASW), a professional organization committed to improving practice and knowledge in social work, co-sponsored the first seminar in an ongoing semi-annual series; and

that the College is approved by the State of Illinois Department of Professional Regulation as a continuing education institution where licensed Clinical Social Workers can complete the required thirty hours of continuing education every two years; and

that the two days of rich dialogue led to collegial sharing among practicing and retired clinicians; and

that this initiative allows the Applied Science Department to add this exciting educational option to the current vocational and liberal arts options available to students.

Respectfully submitted,

Wayne D. Watson
