TRAINING EQUIPMENT & SOFTWARE
AIR CONDITIONING INSTRUCTIONAL PROGRAM
KENNEDY-KING COLLEGE

THE CHANCELLOR

REPORTS

that it is necessary to upgrade the technology in the Heating, Ventilation, Air Conditioning and Refrigeration training [certificate and degree] program at Kennedy-King College with an integrated training laboratory utilizing interactive software and equipment that will better train students in the needed skills; and

that the College staff has received a proposal for this equipment from Innovative Technologies in Education, Herndon, Virginia, requiring customized software and equipment which is only available from Aidex Corporation, the sole representative in the State of Illinois for the following:

DAR-2000 SYSTEM	TOTAL COST
Universal Master Board, Advance Refrigeration, Basic Refrigeration, Basic Air Conditioning, Commercial Air Conditioning, Basic Electrical Principles and Basic Thermodynamics	<u>\$37,490.00</u>

that this purchase is exempt from competitive bidding requirements.

THE CHANCELLOR

RECOMMENDS

that the Board of Trustees approves the issuance of a purchase order in the total amount of \$37,490.00 to Aidex Corporation, Morris, Illinois, for the HVAC training system and equipment as described above

FINANCIAL
