COMPUTER PRINT SERVERS UPGRADE  
WRIGHT COLLEGE

THE CHANCELLOR

REPORTS

that there is a need to upgrade existing pocket print servers in order to properly run the Novell Intranetware 4.11 operating system at Wright College; and

that Extended Systems Company has offered a 40% trade-in discount on the existing pocket print servers and network cards; and that Extended Systems will provide the upgraded pocket print servers and network cards at a total cost of \$23,342.00; and

that competitive bidding is not required for this purchase.

THE CHANCELLOR

RECOMMENDS

that the Board of Trustees approves the issuance of a purchase order in the total amount of \$23,342.00 to Extended Systems, Bozeman, Montana, to provide the upgraded pocket print servers and network cards required for Novell Intranetware 4.11 operating system.
