THE CHANCELLOR

REPORTS

that it is necessary to install a handrail in the #3 stairwell from the basement to the 15th floor of the facility at 226 W. Jackson; and

that specifications were prepared by Central Administration staff, publicly advertised as required by law, and specifications were sent to 12 firms with the following 2 bids received; and that 2 bidders indicated that their current workload precluded their participation in this contract and 1 firm was unable to perform this project.

BIDDER	BID PRICE
Signature Construction Team Inc. Downers Grove, IL [MBE Vendor]	\$37,792.00
