PARKING LOT REPAIRS  
DALEY COLLEGE

THE CHANCELLOR

REPORTS

that it is necessary to repair certain areas of deteriorated asphalt in the parking lot of Daley College; and due to numerous complaints from students and faculty, the administration recommends that these repairs be made as soon as possible; and

that because this construction project is under \$15,000, it is exempt from competitive bidding and District M/WBE requirements; and that a good faith effort was made in contacting M/WBE vendors as required by District policy; and

that College staff obtained informal quotes with the following results:

VENDOR	PRICE QUOTED
Roy's Paving & Sealcoating Markham, IL	\$5,928.00
Ferro Construction Calumet Park, IL	\$6,375.00
Sanchez Sealing Service [MBE] Markham, IL	\$7,600.00
Accu-Paving Co. Chicago, IL	\$9,597.00

THE CHANCELLOR

RECOMMENDS

that the Board of Trustees approves the issuance of a purchase order in the total amount of \$5,928.00 to the low bidder, Roy's Paving & Sealcoating, Markham, for the asphalt repairs to the parking lot at Daley College in accordance with the terms and conditions of the purchase order.
