BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508
County of Cook and State of Illinois

COUNTY OF COOK
AND STATE OF ILLINOIS

PEOPLESOFT IMPLEMENTATION CONTRACT
OFFICE OF INFORMATION TECHNOLOGY
DISTRICT OFFICE

THE CHANCELLOR

REPORTS

that since the purchase of Peoplesoft software systems authorized in Board Report #20903 dated 10-1-1998, a Request for Proposals was issued for the implementation of the new Peoplesoft systems for the Human Resources, Financial, and Student Information areas; and

that staff distributed RFPs to 35 vendors and received four vendors' proposals: Business Information Technology Inc [BIT] a subsidiary of CIBER, International Business Machines [IBM], Shields Enterprise Inc [SEI], and Reliance Consulting Group [RCG]; and

that a staff committee reviewed the proposals, assessed them according to certain criteria including Peoplesoft experience, implementation support, and cost; and that the staff committee has made its recommendation to the Chancellor.

THE CHANCELLOR

RECOMMENDS

that the Board of Trustees approves a contract with Business Information Technology Inc, a subsidiary of CIBER, 35 East Wacker Drive, Chicago, at a cost not to exceed \$5,707,220.00 to provide all services and functions required for a successful implementation of the Peoplesoft Software for Human Resources, Student Administration, and Financial Management systems, in accordance with the RFP dated 10-9-1998; and

that finalization of said contract is subject to legal review and final review by the Board of the vendor's MWBE compliance, and authorizes the Chairman and Assistant Secretary to execute the documents pertaining to this contract.

Respectfully submitted,

Wayne D. Watson
Chancellor
