ADOPTED  
BOARD OF TRUSTEES OF  
COMMUNITY COLLEGE DISTRICT NO. 508

BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508  
County of Cook and State of Illinois

NOV 5 - 1998

COUNTY OF COOK  
AND STATE OF ILLINOIS

COMPUTER INTERFACE SYSTEMS  
CHEMISTRY & PHYSICS LABORATORIES  
DALEY COLLEGE

THE CHANCELLOR

REPORTS

that there is need to purchase computer interface systems for the Chemistry and Physics Labs at Daley College to enhance students' abilities to record and analyze data faster, design experiments, and modify experiments to produce useable data/results; and

that for the Chemistry Lab, SCI Technologies has agreed to provide the LabWorks II interface system at a total cost of \$16,000.00; and that SCI Technologies is the sole provider of the Lab Work II Interface System, and has provided the necessary sole source documentation; and

that for the Physics Lab, Vernier Software has agreed to provide an Interface System at a total cost of \$10,988.00; and

that computer software systems are exempt from competitive bidding procedures.

THE CHANCELLOR

RECOMMENDS

that the Board of Trustees approves the issuance of a purchase orders as follows:

- ▶ \$16,000.00 to SCI Technologies, 1716 W. Main Street #4, Bozeman, Montana, for the Labworks II Interface System for the Chemistry Lab; and
- ▶ \$10,988.00 to Vernier Software, 8565 SW Beaverton-Hillsdale Highway, Portland, Oregon, for the Interface System for the Physics Lab.

FINANCIAL

\$26,988.00 -- Title III - Strengthening Institution Program Grant

Respectfully submitted:

Wayne D. Watson  
Chancellor
