COUNTY OF COOK  
AND STATE OF ILLINOIS

RELOCATE MASTER FIRE ALARM BOX  
KENNEDY-KING COLLEGE

THE CHANCELLOR

REPORTS

that it is necessary to relocate the master fire alarm box from an outside location to an inside location near the new annunciator panel in the lobby of the west entrance; and

that this work is required in order to comply with City of Chicago codes; and that only City of Chicago crews are allowed to perform the required work; and

that the cost to relocate the alarm box is determined by an actual survey of field conditions by the City crews, and payment for this work is customarily the responsibility of the building owner or occupant; and

that the City's Office of Emergency Communications will perform the work at a total price of \$8,050.00; and

that because this work is being rendered by another governmental agency, it is exempt from formal competitive bidding requirements.

THE CHANCELLOR

RECOMMENDS

that the Board of Trustees approves the issuance of a purchase order and payment in the total amount of \$8,050.00 to the City of Chicago, Office of Emergency Communications, for the relocation of the master fire alarm box.
