COMMUNITY EVENTS
HUMBOLDT PARK VOCATIONAL EDUCATION CENTER
WRIGHT COLLEGE

THE CHANCELLOR

REPORTS

that the Humboldt Park Vocational Education Center sponsored two community events to showcase the Center's programs and services; and,

that the first event consisted of a Summer Open House held on July 29 that included presentations on all occupational clock hour programs, building tours, refreshments, and hands-on workshops in the labs; and,

that evaluations distributed to over 125 participants to solicit feedback were very positive, and one-third of the participants signed up for entrance testing and counseling; and that regular Open Houses will be held every three months; and,

that the Center also sponsored a Community Health Fair on August 6 organized by the Practical Nursing students at HPVEC; and,

that over 100 community residents attended the event which consisted of presenting materials in English and Spanish to inform community residents about children's health care issues, sexually transmittable diseases, parenting, and prenatal care; and, that the students' assignments consisted of advertising the event to the media and presenting the materials to participants as a means of learning about the teaching/learning process.

Respectfully submitted,
