**Best Practice High School Internship Program  
A Chicago Public High School  
Malcolm X College**

THE CHANCELLOR

REPORTS

that Malcolm X College's Career Development and Cooperative Education Center, in conjunction with the Best Practice High School Student Internship Program, successfully completed an on-campus internship program for freshmen and sophomore students. Students received educational and career counseling as well as on-the-job training in an area of interest. Five students interned during the Fall '97 semester, and five students interned during the Spring '98 term. The internship program received an excellent evaluation from students and high school teachers and will be expanded in the upcoming school year. The Career Development & Cooperative Education Center received a Certificate of Appreciation from Best Practice High School for its guidance and enrichment of students; and

that Dr. Emmitt Horne, Teacher/Coordinator, Early School Leavers Program, and Robert Kelly, Director, Career Planning and Job Placement presented "A Model for Educational Partnerships: Integrating Secondary and Post Secondary Career Development Program Options for High School Students" at the Illinois State Board of Education Connections Conference. The Best Practice High School model was presented at the conference and was well received by conference attendees.

Respectfully Submitted,

Wayne D. Watson
