FINANCIAL AID AWARENESS DAYS  
MALCOLM X COLLEGE

THE CHANCELLOR

REPORTS

that the Student Financial Aid Office at Malcolm X College designated February 9 and 10 as Financial Aid Awareness Days; and

that this annual event was developed to provide an open forum to address students' general questions regarding financial aid availability and to encourage and assist students in timely and accurate filing of the Free Application for Federal Student Aid (FAFSA). Financial Aid Advisors were relocated at Malcolm X College Cultural Center from 9 a.m. to 5 p.m. on the two designated days; and

that students were notified of the event by the newly inaugurated Financial Aid Notebook (a student oriented newsletter). FAFSA-on-the-Web was made available for those interested in applying on line.

Respectfully submitted,

Wayne D. Watson  
Chancellor
