BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508
County of Cook and State of Illinois

ALSP COLLEGE FAIR
DALEY COLLEGE

THE CHANCELLOR

REPORTS

that on October 13 and 14, Daley College held a College Fair for students in its Adult Learning Skills Program, inviting all 4400 current students and students who have attended in recent semesters, along with students in Continuing Education Programs; and

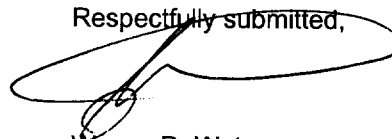

that this fair gave students and their families the opportunity to learn more about programs, services, and student activities at Daley College and at the West Side Technical Institute, and encouraged them to complete ALSP programs and then to continue their education at Daley College; and

that thirty-six departments, programs, and service units of the college participated with staffed information tables, exhibits, power-point shows, and video tape presentations; and that participants included ten faculty departments; and

that several thousand students attended during the two sessions, collecting information on Daley and WSTI programs, many also bringing other members of their families, and that more than 3000 signed up for additional information; and that this activity was part of the recruitment campaign for spring 2000 and for FY2001 and in support of the district initiative to move increasing numbers of graduates of adult education programs into the college credit program; and

that interim President Mark Warden has commended Jeff Janulis, the Dean of ALSP, Nancy Koll, Assistant Dean of ALSP, and the ALSP staff and instructors for their excellent work in planning and executing this highly successful activity.

Respectfully submitted,

Wayne D. Watson
Chancellor
