BOARD OF TRUSTEE OF COMMUNITY COLLEGE DISTRICT NO. 508  
County of Cook and State of Illinois

SIXTH ANNUAL DISCOVERY DAY  
MALCOLM X COLLEGE

THE CHANCELLOR

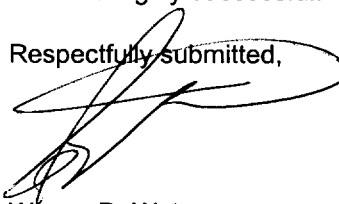

REPORTS

that Friday, October 22, 1999 , Malcolm X College Office of Enrollment and Transfer Services hosted its Sixth Annual Discovery Day. Four overview sessions were offered to Chicago Area High School sophomores and juniors, which exposed them to the numerous advantages of community colleges and the importance of career and academic planning. 91 people participated in this event, including 65 high school students, 5 high school counselors and 2 alternative high school counselors from :

Crane  
Flowers High School  
Liberty Temple Academy; and

That 19 faculty and staff members, participants, presenters were reflective of rich diversity, which characterizes the City of Chicago. Students received a wealth of information designed to encourage them to pursue rewarding careers in health care, business, education, and to continue their education beyond the associate degree level. Students were provided lunch and had an opportunity to hear motivational speakers. The even evaluations indicated it was highly successful.

Respectfully submitted,

Wayne D. Watson  
Chancellor
