THE CHANCELLOR

REPORTS

that in Board Report #20484 dated 3-5-1998, the Board authorized the extension of NetIllinois's Internet Service Provider (ISP) services through April 30, 1998, due to delays in the process of implementing an agreement with Genuity/GTE, who was approved as the District's new ISP in Board Report #20275, dated 11-6-1997; however, since that time, GTE has been unable to implement upgraded Internet services as per their agreement and staff has proposed cancellation of the agreement with Genuity/GTE; and

that during the interim period, NetIllinois has continued to provide ISP services and staff recommends continuation of their services through June 1999, at the current rate of \$1750.00 per month, for a total cost of \$24,500.00, which covers the period of May 1998 through June 1999, and

that this purchase is exempt from the District's competitive bidding requirements.

THE CHANCELLOR
