BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508
County of Cook and State of Illinois

**COUNTY OF COOK
AND STATE OF ILLINOIS**

CONTINUE REMOTE MAINFRAME SERVICE AGREEMENT
CITY COLLEGES OF CHICAGO
[Amend Board Report #17853 dated 5-5-1994]

THE CHANCELLOR

REPORTS

that in Board Report #17853 dated May 5, 1994, the Board of Trustees authorized a continuation of the Agreement with Faneuil Systems [now Acxiom/May & Speh] for mainframe facility services and system support at its Oakbrook facility, eliminating the need for CCC to construct its own facility; and that Board Report #17853 also authorized the District to gradually reduce the remote services or to terminate after 9-1-97 (with an agreed upon notification period); and

that the District's remote storage needs have actually increased since that time, and current services rates are charged at \$32,666.67 per month, or an annual total of \$392,000.00 for FY1999; and that Acxiom/May & Speh has proposed to provide the additional 25 - 50 gigabytes of storage for the District's Y2K storage needs for FY1999 at a total cost of \$90,000.00; and

that OIT staff have reviewed the additional proposal and find it to be reasonable and acceptable; and that this purchase is exempt from competitive bidding requirements.

THE CHANCELLOR

RECOMMENDS

that the Board of Trustees approves the issuance of a purchase order in the total amount of \$482,000.00 to Acxiom/May & Speh, 1501 Opus Place, Downers Grove, Illinois, for the continuation of remote mainframe services, including additional storage capacity from July 1, 1998 to June 30, 1999.

Dear Lou,

The purpose of this letter is to document our proposal to provide additional DASD capacity to support your mainframe processing needs.

Acxiom/May & Speh agrees to provide an additional 25 gigabytes of DASD space (up to 13 units of 3380K equivalent DASD) at a cost of \$5000.00 per month for 24 months beginning 1/1/99. This is in addition to the 50 gigabytes of space ~~included in our existing services agreement~~ and the 25 gigabytes contracted effective 6/1/98. Requirements for DASD space beyond the combined 100-gigabyte limit will be charged at \$450.00 per gigabyte per month. 

By accepting this proposal, City Colleges of Chicago agrees to the terms specified above.

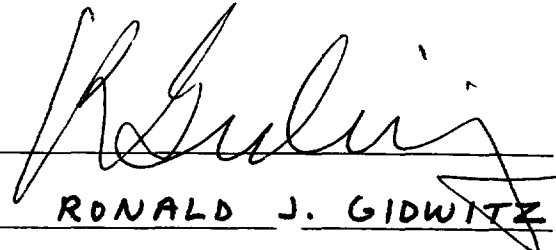

Acxiom/May & Speh appreciates your business and looks forward to serving your future needs.

Sincerely,

Carol McGoogan
