**ADOPTED**  
BOARD OF TRUSTEES OF  
COMMUNITY COLLEGE DISTRICT NO. 508

BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508  
County of Cook and State of Illinois

FEB 4 1999

**COUNTY OF COOK  
AND STATE OF ILLINOIS**

TRAINING SYSTEMS  
MANUFACTURING TECHNOLOGY PROGRAM  
DALEY COLLEGE

THE CHANCELLOR

REPORTS

that there is a need to purchase pneumatic and hydraulic Training Systems compatible with the new courses being offered in the Manufacturing Technology Program at Daley College; and

that Energy Concepts, Inc. provided, installed and maintained the original five Electricity/Electronics Program classrooms in Building 400 at Daley College, and in 1997 provided and installed a new Technology Lab; and

that the recommended equipment will update and retrofit the pneumatic and hydraulic equipment and would raise the Technology Lab to current industrial standards; and

that this equipment purchase is economically procurable from a single source, the original equipment manufacturer, and although exempt from competitive bidding, Purchasing staff obtained price quotes from other manufacturing technology training firms which determined that Energy Concepts, Inc. prices are lower.

RECOMMENDS

that the Board of Trustees approves the issuance of a purchase order to Energy Concepts, Inc., 595 Bond Street, Lincolnshire, Illinois, in the total amount of \$36,000.00 for the necessary pneumatic and hydraulic Training Systems for the Manufacturing Technology Program at Daley College as described above.

FINANCIAL

\$36,000.00 -- Advanced Technology Fund

Respectfully submitted:

Wayne D. Watson  
Chancellor
