SNOW REMOVAL SERVICES FOR FY1999
ALL COLLEGES

**COUNTY OF COOK
AND STATE OF ILLINOIS**

THE CHANCELLOR

REPORTS

that the recent Chicago blizzard resulted in an extraordinary need for snow plow and snow removal services in order to maintain clear walkways and parking areas for each of the College facilities; and that this unanticipated excessive expense as well as estimated expenses for the balance of the FY1999 winter season is summarized as follows:

COLLEGE	EXPENDITURE TO DATE	ESTIMATED EXPENDITURE	TOTAL ESTIMATED EXPENDITURES
		FOR BALANCE FY1999 WINTER SEASON	
Daley	\$ 10,059.00	\$10,000	\$20,059.00
Malcolm X	\$ 25,450.00*	\$10,000	\$42,050.00
	\$ 6,000.00**		
	\$ 600.00		
Truman	\$ 1,084.00	\$10,000	\$11,084.00
Wright	\$ 30,931.00	\$10,000	\$40,931.00
Olive Harvey	\$ 19,072.00	\$10,000	\$29,072.00
Kennedy-King	\$ 21,388.00	\$10,000	\$38,888.00
	\$ 7,500.00**		

* invoice amount is currently being discussed/resolved with vendor

** pre-approved costs for emergency one-time snow removal and relocation

that none of the recommended vendors has resources for a district-wide contract, particularly during excessive snow storms, and multiple firms have been retained in order to provide snow removal for each College; and

that quotations have been submitted by each snow removal firm and staff has determined that the prices are reasonable; and that amounts estimated are based upon multiplying the estimated number of hours required for each piece of snow removal equipment by the unit price and actual expenditures may vary based upon actual requirements.

RECOMMENDS

that the Board of Trustees approves the issuance of purchase orders and payment of invoices on an as-needed basis for snow removal services, subject to verification by the College staff, for the balance of the FY1999 winter season in the following estimated amounts:
