BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508
County of Cook and State of Illinois

CHILD DROP OFF CENTER
DALEY COLLEGE

THE CHANCELLOR

REPORTS

that many of the students attending Daley College are parents of young children, and in many of these households the lack of adequate, affordable child care has made it difficult for the student to attend class; and

that the lack of child care has been identified as affecting student retention at the College; and

that in response, the College has established a drop off center for children between ages 3-5 whose parent(s) are in class. The Center will operate on school days between 8:30 a.m. and 4 p.m. and

that the service opened on June 14, 1999, and is being operated under the supervision of staff of the Daley College Child Development Laboratory School.

Respectfully submitted,

Wayne D. Watson
