GOLDEN APPLE SCHOLARSHIP WINNERS
DALEY COLLEGE

THE CHANCELLOR

REPORTS

that each year the Golden Apple Scholarship Foundation of Illinois holds a competition for bright and talented high school students interested in careers in teaching in public school systems throughout the state, for which hundreds of students are nominated by their schools and their teachers; and

that each winner receives \$27,000 in financial assistance for four years of college, is enrolled in summer workshops taught by award-winning teachers, and is mentored by these teachers during and after their college years; and

that 3 winners for 1999 were chosen from among the 25 seniors in the Upward Bound Program of Daley College: Margarita Contreras and Salvador Venegas (Curie Metro Academy) and Grace Gallegos (Farragut Career Academy), and that these were from a total of only 75 winners in the entire state; and

that each of the Daley College winners had been nominated for the award by the Upward Bound Program staff.
