**TAX COUNSELING PROJECT
WASHINGTON COLLEGE**

THE CHANCELLOR

REPORTS

that final figures have been tallied which demonstrate that the Tax Counseling Project at Washington College was a great success again this year, Washington College being their largest site this past tax season; and

that for the first time electronic filing was offered and forms filed at Washington College accounted for 1,400 of the 1,937 forms submitted throughout the project city-wide; and

that due to the College's preferred location and public transportation accessibility the Program will assign two managers to our College next year in order to service the large number of clients who take advantage of this free service; and

that Washington College is pleased to be able to provide this needed service to students, staff and community.

Respectfully submitted,

Wayne D. Watson
Chancellor
