MULTI-PURPOSE SWEEPER  
TRUMAN COLLEGE

COUNTY OF COOK  
AND STATE OF ILLINOIS

THE CHANCELLOR

REPORTS

that there is a need to purchase a multi-purpose sweeper to clean and maintain concrete and asphalt surfaces in support of ongoing beautification efforts at the Colleges; and

that the City of Chicago has awarded a contract to purchase multi-purpose sweepers called "The Green Machine" which are being used to clean and maintain downtown sidewalks; and that the City contract price for the base model is \$22,495.00; and

that Kennedy-King, Olive-Harvey, Malcolm X and Washington Colleges and the District Office have already purchased this equipment; and

that the equipment has a 48" wide sweep path, contains rotary brushes and a liquid disinfectant spray device; and

that the contractor, Epoke Inc., West Chicago, has agreed to provide a demonstration model to Truman College at a reduced price of \$21,495.00 plus extra side brushes for a total price of \$21,678.60 at the same terms and conditions under the city contract; and

that the Illinois Public Community College Act allows CCC to participate in joint purchases with other governmental agencies including the City of Chicago; and that this purchase is exempt from competitive bidding since this purchase is for goods procured from another governmental agency.
