COMPUTER PROTECTION SOFTWARE
COMPUTER CLASSROOMS
WRIGHT COLLEGE

THE CHANCELLOR

REPORTS

that there is a need to purchase computer protection software for use in the computer lab and computer classes at Wright College; and

this software will be used to protect the applications and operating systems so that students cannot change or delete vital format and configuration files; and

that purchases of computer equipment, software, services, etc. are exempt from competitive bidding and that this proposed purchase from Centurion Technologies is a sole source purchase; and

that Centurion Technologies can provide the necessary software at a total cost of \$8,475.00.

THE CHANCELLOR

RECOMMENDS

that the Board of Trustees approves the issuance of a purchase order in the total amount of \$8,475.00 to Centurion Technologies, 12430 Tesson Ferry Road, St. Louis, Missouri, for the computer protection software as described above.
