[Amend Board Report #21081 dated 2-4-1999]

THE CHANCELLOR

REPORTS

that in Board Report #21081 dated February 4, 1999, the Board authorized the continuation of services by Acxiom/May & Speh for mainframe facility services and system support at its Oakbrook facility through June 30, 1999 to accommodate the District's ongoing and increasing need for this service, and eliminating the need for CCC to construct its own facility; and

that Acxiom/May & Speh has proposed to continue providing the District's data storage needs through FY2000 at a total cost of \$520,000.00; and that this is contingent upon budget allocations for FY2000; and

that OIT staff have reviewed the proposal and find it to be reasonable and acceptable; and that this purchase is exempt from competitive bidding requirements.

THE CHANCELLOR

RECOMMENDS

that the Board of Trustees approves the issuance of a purchase order in the total amount of \$520,000.00 to Acxiom/May & Speh, 1501 Opus Place, Downers Grove, Illinois, for the continuation of remote mainframe facility and system services from July 1, 1999 to June 30, 2000.
