BOARD OF TRUSTEES OF COMMUNITY COLLEGE DISTRICT NO. 508
County of Cook and State of Illinois

**NURSING CAREER OPPORTUNITIES
MALCOLM X COLLEGE**

THE CHANCELLOR

REPORTS

that on Tuesday, May 4, 1999, the Career Development and Cooperative Education Center in collaboration with the District's Advancing Opportunities Program presented "Nursing Career Opportunities" for students enrolled in the District's Welfare-to-Work Advancing Opportunities Program including, Basic Nursing Assistant, Practical Nursing and Registered Nursing majors. A total of 56 students were referred by program mentors from other CCC Colleges. United Services of Chicago and The Boys & Girls Clubs of Chicago referred 7 community residents; and

that representatives from Glen Crest Nursing and Rehabilitation Center, Merit Health Care, Resurrection Hospital, Rush Presbyterian St. Luke's Medical Center, and Westshire Nursing and Rehabilitation Center interviewed students and program completers for career opportunities. Thus far 30% of the students interviewed have been offered job opportunities. Other job offers are pending based upon student program completion and licensing board examination results.

Respectfully submitted,

Wayne D. Watson
