STUDENT INTERNSHIPS  
DALEY COLLEGE

THE CHANCELLOR

REPORTS

that Daley College was selected as one of four Illinois community colleges to be invited by the U. S. Department of Energy, Office of Science, Institute of Biotechnology, Environmental Science and Computing for possible summer interships to be hosted by Argonne National Laboratory; and

that 20 to 30 students will be selected from the Midwestern College Consortium for internships during the summer of 1999. Daley College faculty will participate in the selection of students whom they believe will best benefit from this 8-week paid intership experience.

Respectfully submitted:

Wayne D. Watson  
Chancellor
