County of Cook and State of Illinois

INSTRUCTIONAL SOFTWARE FOR HEALTH CARE CAREER PROGRAMS
MALCOLM X COLLEGE

THE CHANCELLOR

REPORTS

that Malcolm X College is seeking Board approval to use Carl Perkins Grant funds to purchase instructional software from Sunrise Virtual Reality, Maywood, IL; Sunrise proposes to provide three virtual reality instructional environments for use at Malcolm X; these environments will be designed to emphasize critical thinking, computation, reading and writing in the Health Care Career Programs, and will be designed using a cross-disciplinary team of Malcolm X Health Care and General Education Faculty to provide input for the contents of the environments; and

Sunrise Virtual Reality will provide a five year site license to the college to use this programming, will assist in pilot testing, and will also produce a training manual and a manual of technical specifications; the total proposed cost of the software license, testing, and manuals is \$18,500.00; and

that purchase of software and training has been reviewed and approved by the College and is exempt from the District's competitive bid requirements.
