STUDENT WINS SCHOLARSHIPS TO IIT
TRUMAN COLLEGE

THE CHANCELLOR

REPORTS

that Truman College student Natasha Lagunova recently won scholarships and grants totaling \$17,000 to attend her first year at the Illinois Institute of Technology; and

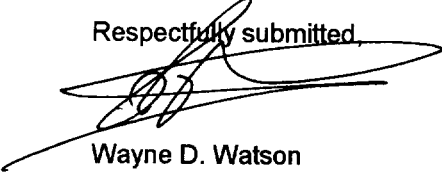

that starting this fall, Natasha plans to study for a bachelor's degree in computer information systems at IIT; and

that the Rogers Park resident came to this country in 1997 from Belarus in the former Soviet Union, having just graduated high school in her native country; and

that Natasha has been a student at Truman College for two years, taking English as a Second Language and college credit courses; and

that she earned an overall academic grade point average of 3.7.

Respectfully submitted,

Wayne D. Watson
