WORKFORCE INVESTMENT ACT GRANT  
TRUMAN COLLEGE

THE CHANCELLOR

REPORTS that Truman College has been selected to receive a \$100,000 Workforce Investment Act (WIA) grant through the Mayor's Office of Workforce Development; and

that the grant will allow the college to provide core and intensive services to residents of northeast Chicago; and

that those services will include orientation and assessment, job coaching, job search and career counseling, ESL classes, mentoring for adults, information on the local labor market, training providers and support services, skills assessment, job placement, coordinated case management, pre-vocational services and financial aid assistance.

Respectfully submitted
