COUNTY OF COOK

THE CHANCELLOR

REPORTS

that in Board Report 19555 dated October 3, 1996 the Board approved a three-year contract with Preferred Computer Services, Chicago to provide on-site repair and preventive maintenance services for all microcomputers, printers, scanners and other related equipment for the District; this contract included a one-year renewal option; and

that in 1997, Preferred Computer Services was bought out by Decision One Corporation, Chicago, IL, which assumed the maintenance contract and has provided service throughout the remainder of the contract; and

that staff has determined that it is in the best interests of the District at this time to exercise the option to renew this contract for a five month period and Decision One Corporation has agreed to renew the contract at the same prices, terms and conditions; and

that the monthly price is based upon multiplying the number of equipment units covered by the unit price originally proposed.

THE CHANCELLOR

RECOMMENDS

that the Board of Trustees approve the issuance of a purchase order to Decision One Corporation, Chicago, IL for on-site maintenance of the District's microcomputers and other related equipment at a price not to exceed \$ 44,000.00 per month for the period of October 2, 1999 through March 2, 2000, all in accordance with the RFP dated August 26, 1996.
