AMERICAN HEALTH CARE PROVIDERS, INC.  
MALCOLM X COLLEGE

THE CHANCELLOR

REPORTS

that on December 11, 1999 American Health Care Providers, an organization dedicated to providing quality health care for more than 15 years and today serves more than 150,000 subscribers in Illinois, Indiana and Arkansas held a Santa Surprise for the children of Malcolm X College students; and

that through this effort more than 300 children of students from the Advancing Opportunities, Adult Learning Skills Program, the Day Care Center and the West Side Learning Center of Malcolm X College received new winter coats. This effort recognizes that many families are unable to stretch their budgets to provide warm winter coats for their children. As one of the premiere educators in the field of Allied Health, Malcolm X College recognizes, as does Mr. Asif Sayeed, founder and CEO of American Health Care Providers that a warm coat contributes to a child's wellness and give a young person an extra feeling of comfort and confidence.

Respectfully submitted,
