**COOPERATIVE EDUCATIONAL MASTER AGREEMENT  
BETWEEN COMMUNITY COLLEGE DISTRICT #508  
AND COOK COUNTY HOSPITAL**

THIS COOPERATIVE EDUCATIONAL MASTER AGREEMENT ("Agreement") is made between the County of Cook ("County"), a body corporate and politic, by the Cook County Board of Commissioners ("Board") on behalf of Cook County Hospital of Cook County ("Hospital"), located at 1835 W. Harrison Street in the City of Chicago, State of Illinois, and the Board of Trustees of Community College District #508 ("College") located at 226 West Jackson Boulevard in the City of Chicago, State of Illinois.

WHEREAS, the Board and the College wish to enter into this Agreement to provide for the education and training of College Students and Hospital Students as set forth in individual Program Addenda;

WHEREAS, the College wishes to enable its Students to participate in education and training programs at the Hospital;

WHEREAS, the Hospital wishes to enable its Students to participate in education and training programs at the College;

NOW THEREFORE, in consideration of these premises and the mutual understandings hereinafter stated, it is hereby understood and agreed as follows:

**ARTICLE 1            SCOPE**

1.1    Purpose. This Agreement shall establish and define a cooperative relationship between the Board and the College with respect to programs for the education and training of Students of the College and of the Hospital.

1.2    Program Addenda. This Agreement shall be supplemented by a Program Addendum for each individual program to be implemented under this Agreement. The Program Addendum shall set forth terms and conditions specific to the particular program and shall be reviewed and approved in writing by the Chief Operating Officer of the Hospital and the President of the College or a designee. Program Addenda shall specify the period during which they shall be effective, which period shall fall within the dates encompassed by this Agreement. Program Addenda which provide for the payment or receipt of monetary compensation must also be approved by the Board.

1.3    Effect on Prior Agreements. This Agreement shall replace any prior Cooperative Educational Master Agreements between the parties which are hereby terminated. All Addenda which are presently in effect pursuant to a prior Cooperative Educational Master Agreement are hereby made Addenda to this Agreement unless the Hospital's Chief Operating Officer provides written notice to the College to the contrary prior to the effective date of this Agreement. If such Addenda do not contain dates upon which they shall expire, they shall expire on June 30 following the effective date of this Agreement.

**ARTICLE 2            DEFINITIONS**

“Agreement” shall mean this Cooperative Educational Master Agreement and shall include the Execution Forms attached hereto and made a part hereof.

“Appropriate Department Head” shall mean the head of the department at the Hospital or at the College within which the specific program activities are conducted .

“Hospital Staff” shall mean County employees or Hospital Staff members excluding College Staff assigned to Hospital pursuant to this Agreement who provide supervision of Students or other program support at the Hospital in conjunction with the programs implemented pursuant to this Agreement.

“Program” shall mean that portion of a training program for Students which is conducted.

“Program Director” shall mean that individual designated by the Hospital or the College who has overall authority and responsibility for the coordination and supervision of Student education in a clinical training program.

“Site Coordinator” shall mean that individual designated who shall secure appropriate approval of all Students and who shall provide or coordinate the on-site supervision of Students.

“Students” shall mean individuals enrolled in nursing or allied health educational training programs of the College and who are assigned by the College to engage in clinical training at the Hospital. Unless the Hospital has given its prior written approval, “Student” shall not include individuals who are primarily enrolled in educational programs at institutions other than the College or who are rotating at the College from another institution. “Students” shall also mean individuals enrolled in medical, nursing, dental, pharmacy, allied health or other training program of the Hospital and who are assigned by the Hospital to engage in training at the College.

"College Staff" shall mean employees or staff members of the College who provide supervision of Students or other program support in conjunction with the programs implemented pursuant to this Agreement.

**ARTICLE 3**            **PROGRAM DESCRIPTION**

3.1    Initiation of Programs. The description and objectives of each Program which is the subject of an Addendum to this Agreement shall be reviewed and approved by the Program Director and the Site Coordinator prior to the commencement of the Program. Thereafter, the Program Director and the Site Coordinator, or their designees, shall meet, as necessary, to discuss issues arising under this Agreement or the Program Addendum.

3.2    Student Supervision. Students shall have the status of trainees and shall not replace Hospital or College Staff. Students shall render patient care or other services only as directed by the Appropriate Department Head or designee who shall ensure that the level of supervision provided is commensurate with the circumstances, licensure, level of training and skills of each individual Student. All authority shall be retained by the Appropriate Department Head or designee who may assume full charge of patient care and/or change a Student's assignment as may be necessary in the interest of patient case and safety.

3.3    Prerequisites to Hospital Assignment. The College shall be responsible for determining the adequacy of the educational experience of Students in theoretical training, basic skills and professionalism and will assign to the Hospital only those Students who have satisfactorily completed appropriate prerequisites for each clinical assignment. The College shall

also be responsible for ensuring that faculty who are assigned to the Hospital have and maintain the appropriate, valid State of Illinois license or registration or certification.

3.4 Number of Students; Notification of Assignments. The number of Students assigned concurrently to the Hospital and the time periods of those assignments shall be subject to the approval of the Appropriate Department Head and shall be based on patient census, the ability to meet the Students' educational needs and the consent of the Hospital. The Program Director shall submit a list of the names of the Students and College Staff the College wishes to assign to the Hospital and the specific dates and hours of their assignment to the Site Coordinator at least one month prior to the commencement of each session. In the event that patient care volumes or frequency of particular types of patient care problems are insufficient to provide an adequate clinical training experience for the number of Students set forth in a Program Addendum, or in the event that insufficient Hospital or College Staff is available to provide appropriate supervision, the number of Students shall be reduced in an appropriate manner as mutually agreed upon by the Hospital and the College.

3.5 Hospital Authority and Responsibility. The Hospital shall provide appropriate clinical facilities for the Programs conducted under this Agreement. The Hospital shall retain full authority and responsibility for patient care and quality standards at the Hospital.

3.6 Hospital and College Staff. In general, the teaching and supervision of the College's Students shall be provided by members of the College's faculty who have been approved for this purpose by the Appropriate College Program Director and by the Appropriate Hospital Department Head. Specific instruction and supervisory requirements shall be defined in the Program Addendum.

3.7 Hospital Policies and Procedures; Termination of Students or Staff Assignments.

All College Students and Staff shall be oriented to the facilities and shall be informed of and subject to Hospital policies, procedures, rules and regulations while on Hospital premises. All Hospital Students and Staff shall be oriented to the facilities and shall be informed of and subject to College policies, procedures, rules and regulations while on College premises. The Appropriate Department Head shall have the authority to terminate the assignment to the Hospital of any Student or Staff member who does not comply with policies, procedures, rules and regulations or who conducts himself in an improper or unprofessional manner or in a manner which endangers the health, safety or welfare of a patient, visitor or Staff member.

3.8 Student and Staff Attire and Hygiene; Identification. Staff and Students shall present a clean, neat appearance at all times and shall wear the appropriate uniform for the department to which they are assigned. While at the Hospital, College Staff and Students shall exhibit appropriate identification badges furnished by the Hospital. While at the College, Hospital Staff and Students shall exhibit appropriate identification badges furnished by the College. All badges shall be returned at the conclusion of the assignment. Staff and Students shall identify themselves to patients and Staff in accordance with procedures.

3.9 Health Requirements. Prior to permitting any contact with Hospital patients, the College shall cause its Students and Staff to provide to the Hospital's Department of Planning, Education & Research proof that College Students and Staff have received the Hepatitis B Vaccination and other vaccinations that may be required by the Hospital or any governmental agencies or, where appropriate, a signed statement declining a specific vaccination or vaccinations. In addition, prior to permitting any contact with Hospital patients, the College shall

cause its Students and Staff to provide to the Hospital's Department of Planning, Education and Research proof of Tuberculosis (TB) screening within one year prior to the final date of the scheduled assignment of the College Student or Staff member to the Hospital. The Hospital reserves the right to prohibit the assignment to Hospital of any College Student or Staff member who does not satisfy Hospital health requirements. The College shall ensure that all College Students accepted for the Program at the Hospital are generally in a condition of health, with or without reasonable accommodation, such that they are able to perform the essential functions required by this Agreement and the relevant Program Addendum.

3.10 Emergency Medical Care. The Hospital shall provide emergency medical care and treatment to College Students and Staff in any instance of injury and illness occurring at the Hospital. The expense associated with such treatment shall be the responsibility of the individual Student or Staff member.

3.11 Confidentiality. The College and the Hospital shall instruct its Students and Staff that all patient information is absolutely confidential and shall not be disclosed, directly, indirectly or by implication, or be used by either party or its Students or Staff in any way, whether during the term of this Agreement or at any time thereafter, except solely as required in the course of their performance hereunder. This confidentiality requirement shall survive the termination or expiration of this Agreement or any Program Addenda hereto. The Hospital and the College shall comply with the provisions of the Family Educational Right to Privacy Act (the Buckley Amendment) and treat all information about Students as confidential. This confidentiality requirement shall survive the termination or expiration of this Agreement or any Program Addenda thereto.

3.12 Program Evaluations. At the conclusion of each assignment, Students and Staff shall submit Program evaluations to the Appropriate Department Head or designee.

3.13 Research and Publications. Any research to be performed in conjunction with the assignment of College Students or Staff to the Hospital shall be described on the relevant Program Addendum. No research shall be conducted without first obtaining the approval of the Hospital's Scientific Committee (Institutional Review Board), if required, and without the approval of the Hospital's Chief Operating Officer. No information derived from assignment to the Hospital shall be published without the advance approval from the Hospital's Chief Operating Officer. Protocols for joint research efforts involving human subjects may also require the approval of the College's Institutional Review Board.

3.14 Education and Training Procedures. All College Students and Faculty shall cooperate with the procedures of the Hospital's Department of Planning, Education and Research relative to documentation of compliance with requirements set forth in this Agreement or any Addendum hereto including, but not limited, documentation of compliance with health requirements, licensure, and hours spent on-site at the Hospital.

3.15 Accreditation. The Hospital represents that its medical facilities are accredited by the Joint Commission on Accreditation of Healthcare Organizations ("JCAHO") and shall immediately notify the other party of any changes to said accreditation. Further, the College represents that its educational programs covered under the Program Addendum to the Agreement are accredited, as appropriate, by the relevant accreditation body and shall immediately notify the other party of any changes to said accreditation.

**ARTICLE 4            INSURANCE**

4.1    General. Except as otherwise specified in the relevant Addendum, each College Student and Staff member assigned to hospital pursuant to this Agreement shall be covered by professional liability insurance or a program of self-insurance on for professional liability sponsored by the College which shall cover their activities while assigned to the Hospital. Furthermore, except as otherwise specified in the Program Addendum, the requirements for such insurance or self-insurance program shall be as set forth in paragraph 4.2 of this Article. The provisions of this Article shall survive the termination of this Agreement and any Addenda hereto.

4.2    Policy or Self Insurance Program Requirements. Each insurance policy or self-insurance program covering College Students and Staff for professional liability as required under this Article shall have limits of not less than one million (\$1,000,000.00) dollars per occurrence/three million (\$3,000,000.00) dollars annual aggregate. The College shall cause its insurer or self insurance administrator to issue a certificate evidencing such coverage and naming the County, its agents, servants and employees, as additional insured. The College agrees that the coverage required hereunder shall either be maintained on an occurrence basis, or shall be supplemented by prior acts coverage at such time as the policy or program shall cease to be applicable to the College Students or Faculty assigned to Hospital. The College shall provide evidence of the required coverage, in a form acceptable to the County's Risk Manager, to the Hospital's Department of Planning, Education and Research for transmittal to the County's Risk Manager.

4.3 Professional Liability. Professional liability coverage for Hospital Staff and Students shall be in accordance with the County of Cook's Ordinance 86-0-45, dated November 3, 1986, or its successor ordinance.

4.4 Workers Compensation and Occupational Disease Liability. Notwithstanding any reimbursement arrangements between the College and the County, the College shall be responsible for the payment of all compensation to College Students and Staff, including, but not limited to, wages, salary, health insurance and fringe benefits. Further, the College shall be responsible for the payment of workers' compensation and occupational disease benefits, if any is owed, to College Students and Staff, in the event of compensable injuries or illnesses sustained while College Students and Staff are engaging in the activities forming the subject of this Agreement and the Program Addenda hereto. Irrespective of any claimed status of the Hospital and the College as "borrowing employer" and "loaning employer" respectively, within the meaning of the Worker's Compensation Act and the Occupational Disease Act of the State of Illinois, the College shall be responsible for payment of any workers' compensation or occupational disease benefits due to College Students and Staff as a result of illness or injury arising out of and in the course of their activities at the Hospital, if any is owed, and shall defend, indemnify and hold the County harmless for the full amount of any judgement or award for workers' compensation or occupational disease benefits, plus costs and expenses, including reasonable attorneys' fees.

Notwithstanding any reimbursement arrangements between the College and the County, the Hospital shall be responsible for the payment of all compensation to Hospital Students and Staff, including, but not limited to, wages, salary, health insurance and fringe benefits. Further,

the Hospital shall be responsible for the payment of workers' compensation and occupational disease benefits, if any is owed, to Hospital Students and Staff, in the event of compensable injuries or illnesses sustained while Hospital Students and Staff are engaging in the activities forming the subject of this Agreement and the Program Addenda hereto. Irrespective of any claimed status of the Hospital and the College as "borrowing employer" and "loaning employer" respectively, within the meaning of the Worker's Compensation Act and the Occupational Disease Act of the State of Illinois, the Hospital shall be responsible for payment of any workers compensation or occupational disease benefits due to Hospital Students and Staff as a result of illness or injury arising out of and in the course of their activities at the College, if any is owed, and shall defend, indemnify and hold the College harmless for the full amount of any judgement or award for workers' compensation or occupational disease benefits, plus costs and expenses, including reasonable attorneys' fees.

4.5 Destruction of Hospital property. The College shall be responsible for the replacement or repair of Hospital property damaged or destroyed by College Students or Staff other than damage caused by normal wear and tear.

4.6 Destruction of College property. The Hospital shall be responsible for the replacement or repair of College property damaged or destroyed by Hospital Students or Staff other than damage caused by normal wear and tear.

## **ARTICLE 5 TERM AND TERMINATION**

5.1 Term. This Agreement shall commence upon execution by both parties and shall continue through November 30, 2005, unless terminated sooner in accordance with the provisions

of this Agreement. This Agreement may be extended for additional terms upon written agreement of the College and the Cook County Board of Commissioners.

5.2 Termination without cause. Either Party may terminate this Agreement without cause by giving six months written notice to the other Party.

5.3 Termination for cause. Notwithstanding Section 5.2 above, the County, acting through the Hospital's Chief Operating Officer, or the College, acting through its President, may immediately terminate any or all Program Addenda entered into pursuant interference with patient care or decrease in patient census. Termination of one or more Program Addenda shall not constitute termination of this Agreement.

5.4 Automatic termination of Addenda. Notwithstanding Section 5.2 above or any other provisions of this Agreement or any Program Addenda, upon the termination of this Agreement all Program Addenda hereto shall automatically and simultaneously terminate unless a new Agreement is entered into between the Parties which provides for their survival as Addenda thereto.

## **ARTICLE 6            FINANCIAL ARRANGEMENTS**

6.1 Payment to the College. The County shall reimburse the College for that portion of the actual salaries and benefits of College Students and/or Staff which is payable with respect to the hours and periods encompassed by their assignments to the Hospital, only to the extent that such reimbursement is expressly provided for in writing in a Program Addendum which has been approved by the Board. In the event the College receives payment in excess of those College costs which are properly payable under the terms of a Program Addendum, the College shall

promptly remit such excess amounts to the County. In the event a College Student or Staff member is assigned to the Hospital on a part-time basis, the College shall reduce the amount payable by the Hospital to reflect only that portion of the individual's salary or benefits which is directly attributable to the time dedicated to assignment at the Hospital, excluding transportation time. For purposes of this provision, "full-time" shall refer to substantially the full professional activity of the Student or Staff member, which shall consist of not less than forty (40) hours per week of time dedicated exclusively to assignment at the Hospital. "Part-time" shall refer to an assignment which is less than full-time.

6.2 Payment to the County. The College shall reimburse the County for that portion of the salaries and benefits of County Staff or of the County's administrative expenses which is payable with respect to the supervision and administrative support of Students during their assignments to the Hospital, only to the extent that such reimbursement is explicitly provided for in writing in a Program Addendum which has been approved by the Board.

6.3 Invoices. In invoicing amounts payable by the County under the terms of an Addendum hereto, the College shall utilize the appropriate County forms.

6.4 Billing for Professional Services. Irrespective of any reimbursement arrangements between the parties which may or may not apply to the assignment of College Students or Staff to the Hospital, the County shall own all professional fees accruing from the provision of services at the Hospital, including services provided by College Students and Staff assigned to the Hospital pursuant to this Agreement. The College shall cause its Students and Staff to provide such encounter information and such assignments or other instruments as may be required to permit the

Hospital to bill and collect any fees which are payable as a result of services provided at the Hospital.

6.5 Education costs: Government programs and grant-funded programs. The County shall be entitled to include any payments it makes to the College relative to the assignment of College Students and Staff to the Hospital in reports submitted to governmental authorities and to seek any credit or reimbursement to which it may be entitled as the result of payment of graduate medical education or other program costs with respect to such payments. For these purposes the College shall provide the Hospital with all documentation needed concerning College Staff and Students assigned to the Hospital. To the extent grant funding is available to either the College or the County which offsets the cost of educational programs hereunder, such funding shall be applied in a manner which benefits the County.

## **ARTICLE 7**            **MISCELLANEOUS**

7.1 Non-Discrimination. Neither Party shall discriminate against any Student or Staff on the basis of race, creed, age, sex, handicap, veteran's status, religion or national origin.

7.2 Amendment. The terms and conditions of this Agreement may be amended only upon the written agreement of both parties hereto. No amendments which individually or cumulatively result in additional cost of \$10,000.00 or greater or which extend the term of the Agreement or the relevant Addendum by thirty (30) days or more shall be deemed as authorized without the advance approval of the Cook County Board of Commissioners. Modifications and amendments which increase cost by less than \$10,000.00 or which do not extend the term of the

Contract by more than thirty (30) days may only be made with the advance written approval of the County's Purchasing Agent.

7.3 Subcontracting or Assignment. No portion of this Agreement or any Addendum hereto may be subcontracted or assigned without the express written approval of the County Purchasing Agent.

7.4 Independent Contractor Status. The College and its Students and Staff are independent contractors and not employees of the County. It is expressly understood and agreed that College Staff and Students shall in no event as a result of the Agreement be entitled to any benefit to which County employees are entitled, including, but not limited to, overtime, retirement or disability benefits, worker's compensation benefits or any other benefits.

7.5 Enforcement of contractual provisions. To the extent that any of the provisions of this Agreement or any Addendum hereto impose responsibilities upon the College which are implemented in whole or in part by College Students or Staff, the College shall impose those responsibilities upon its Students or Staff as a condition of their assignment to the Hospital.

7.6 Order of Precedence. Except as otherwise expressly provided herein, in the event of a conflict between the terms of this agreement and a subsequently executed Program Addendum, the terms of the Addendum shall prevail provided that the Addendum has been approved by the Board.

7.7 Governing Law. This Agreement shall be interpreted under and governed by the laws of the State of Illinois. Venue shall lie in a court of competent jurisdiction located within the County of Cook, Illinois.

7.8 Severability. The parties agree that, to the extent that a court of competent jurisdiction shall determine that any part or provision of this Agreement or its Program Addenda are unenforceable as a matter of law, the portion deemed unenforceable shall be severable and the remainder of the Agreement or Program Addenda shall survive.

7.9 Waiver. No term or provision of this Agreement shall be deemed waived and no breach shall be deemed consented to unless such waiver or consent is set forth in writing signed by the party claimed to have waived or consented. No waiver or consent shall be deemed a waiver of or consent to a subsequent breach.

7.10 Contract Interpretation. The headings of articles, paragraphs and sections in this Contract are included for convenience only and shall not be considered by either party in construing the meaning of this Contract.

## **ARTICLE 8            NOTICE**

8.1 Notice. All notices required pursuant to this Agreement shall be in writing and addressed to the parties at their respective addresses set forth below or at such other address as shall be given by notice as provided herein.
